## Legion Suggests Bong Be National Cemetery

KANSASVILLE, Wisc.—Many kinds of uses have been suggested for the apparently now defunct Bong Air Force Base since it was announced several weeks ago that the air force was abandoning further work on it.

Latest idea was proposed early this week by the Wisconsin department of the American Legion's rehabilitation committee.

This group said it would suggest to the Legion's executive committee that the 5,400 acre site be made into a national cemetery.

## Lindenhurst Speed Limit Is Discussed

LINDENHURST—A 20 or 30 mile per hour speed limit for the village of Lindenhurst was discussed at a meeting of the village board Monday evening but no action was taken on the matter.

Signs would be posted at the entrances to the village listing the speed limit.

General opinion of the trustees was that a limit of 20 mph within the village limits was best.

Sunday board president Robert Randall and some other members will make a survey of roads and culverts in the village to see what should be done in regard to clearing culverts, their size, ditches and drainage.

A special meeting of the trustees was scheduled to 7:30 next Tuesday evening at the village hall to consider snow removal proposals. It was announced that several proposals would be available by the end of the week.

A report on the state survey of vehicle speeds on Grand Ave. was being awaited by the board.

A survey of the lighting needs of the village has been requested from the Public Service Co.

Rules governing the use of the village hall by organizations will be drawn up and given to such groups when requested.

The board did vote not to charge a fee to Lindenhurst organizations for use of the hall. Certain conditions for using the hall were set down.

As it is now the Girl Scouts meet there on Mondays and the Brownie Scouts on Wednesdays. The Women's auxiliary had requested use of the hall.

Units 17 and 19 of Venetian Village have been annexed to Lindenhurst, the trustees were reminded. A candidate for the village job of building inspector, Bob Striecher, gave his qualifications. No action on his application was taken.

## Warn Child About Pool

Children found entering the swimming pool and/or doing damage to it, the pool buildings and contents will be prosecuted.

That was the word this week from Irving Carey, chairman of the swimming pool committee of the Antioch Lions club.

Several children have been talked to by local police and warned of the dangers of entering the pool area.

Carey said that evidence has been found that children have climbed the fence surrounding the pool, opened the door to the area and let in smaller children.

Records, card file contents and the like have been strewn about.

## Paddock Lake Dance To Aid Weed Project

PADDOCK LAKE, Wis.—A dance designed to raise money for the Lake Paddock weed control project will be held at 8 p. m. Saturday, Oct. 24, in the Paddock Lake clubhouse.

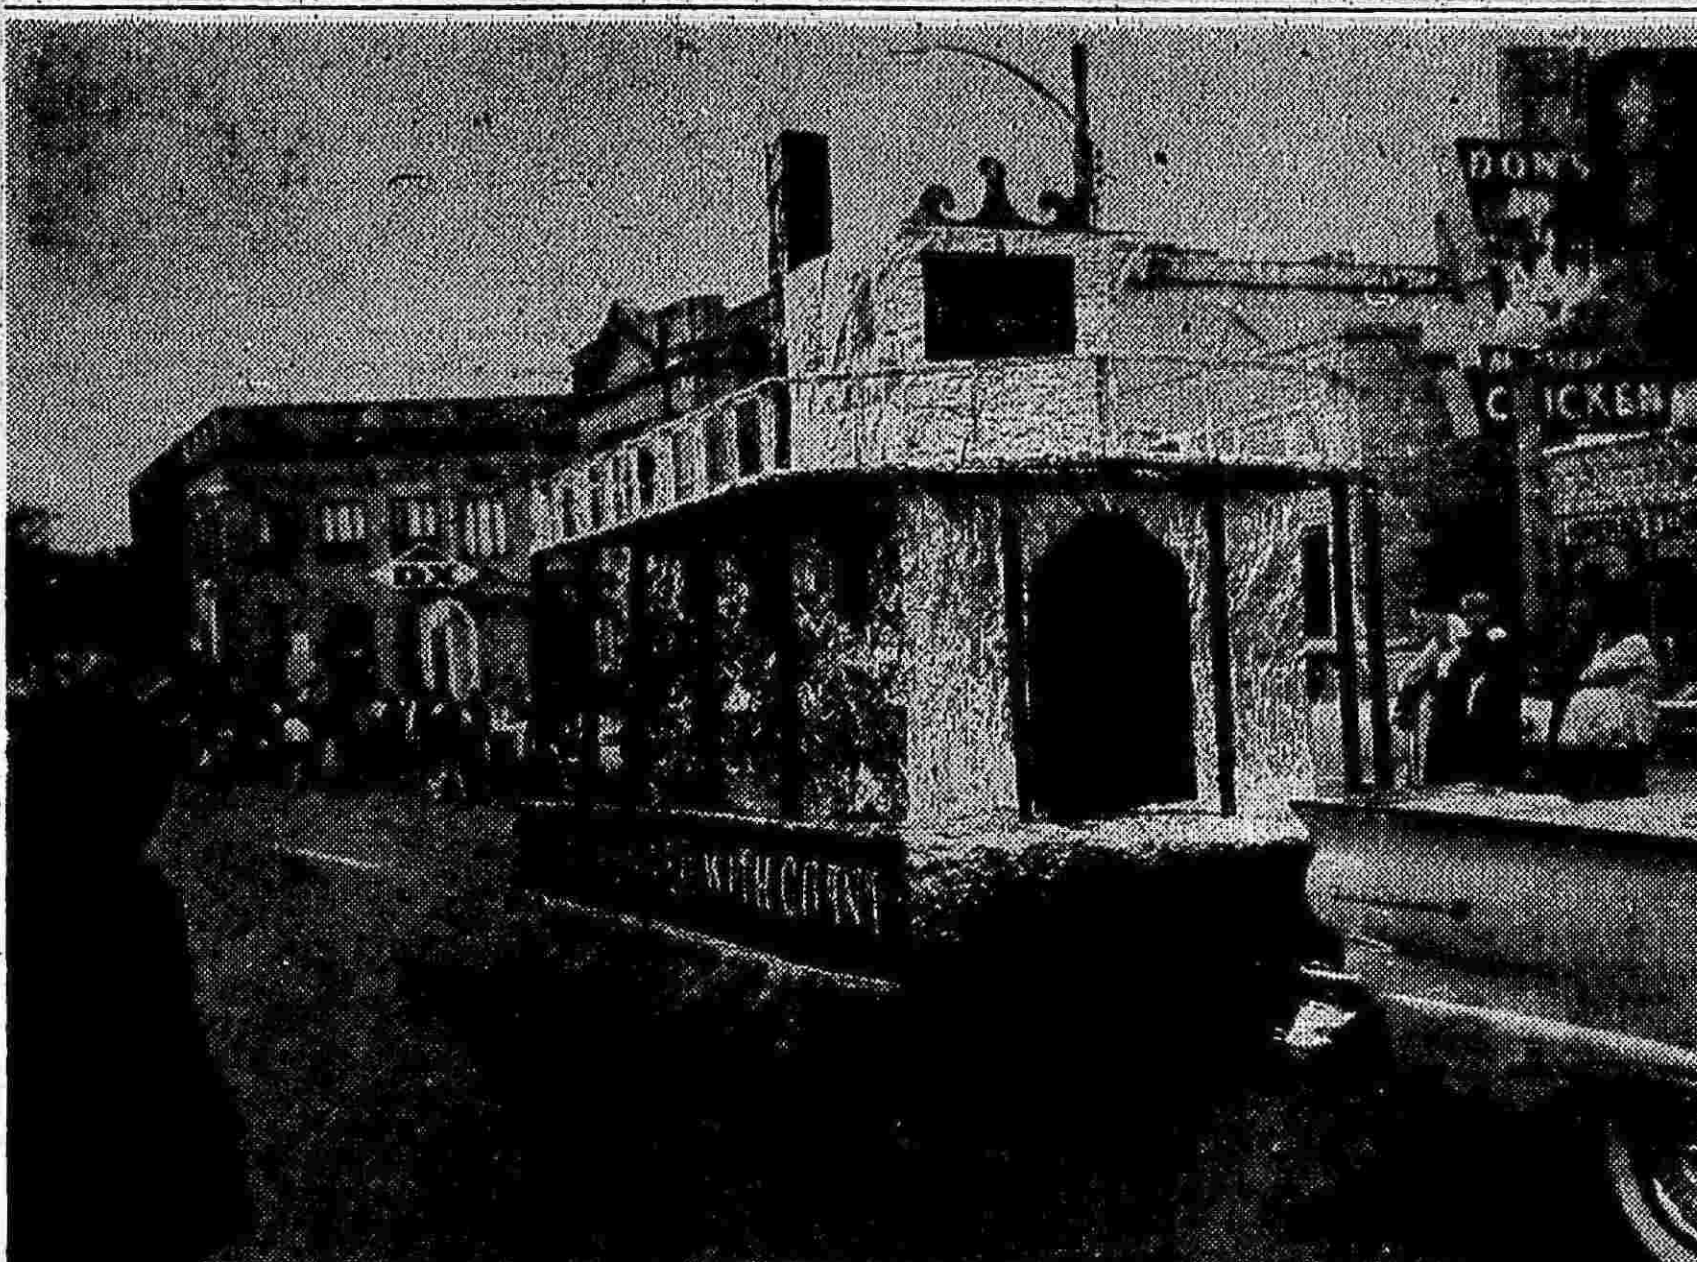

The event sponsored by the property owners of Paddock Lake will feature, in addition to dancing, refreshments, music and prizes.

Ninety-six acres of the lake were sprayed with a weed-killing, 10-parts-per-million spray of sodium arsenate several months ago.

Funds raised from the dance will go toward continuing this work.

Members of the Paddock Lake Businessmen's association, the Paddock-Hooker Lakes association, and the North Shore Community club have tickets on sale.

## Voters Reject New High School Bond Issue By 2-1 Majority

FIRST PLACE in the Homecoming parade of Antioch Township high school went to this float entered by the senior class at ATHS. The parade was held last Saturday morning before a large crowd of adults and children that lined both sides of Main St. in downtown Antioch. The "showboat" had on its sides "Down The River With Grant." Leading the prize winning float were Pat Dornier and Judy Day dressed in old fashioned clothes. "Turn Back the Pages" was the theme of the Homecoming parade.

## New Column Added To Antioch News

The ANTIOCH NEWS this week adds another column to its edition with the publishing of news about Antioch Township high school activities, students, teachers and administrative personnel.

This weekly column "Antioch High Chatter," written by Marie Jasien will appear during the school year. It will be published much as Miss Jasien has written, with only minor editing on the part of the Antioch News staff.

Contributions to the column should be given to her at the high school.

## School Safe Ransacked At Salem High

SALEM, Wis.—An estimated \$2,000 was removed from the safe at Salem Central high school last weekend after someone had broken into the building located near Paddock Lake.

School principal A. H. Erickson notified Kenosha county sheriff's deputies of the breakin Monday morning. Officers on investigation found that the walk-in type safe had been entered.

Officers said burglars apparently used a sledge hammer to batter the bottom of the safe door and then pried it open. They closed it when they left so Erickson did not think it had been entered.

The safe's combination apparently was not touched. Deputy sheriff Arthur Blake said the breakin could have occurred either Saturday or Sunday night although the exact time is not known.

Assistant principal Vernon Horne said, however, he was in the office about 7 p. m. Sunday and noticed nothing amiss then.

Money and change were found lying about the floor of the safe when Erickson opened the safe for deputies. The large amount of money had been accumulated from school lunches, football game proceeds and various sales of items to students.

## Parade Photographs Displayed At School

Photographs of the Antioch high school Homecoming parade taken by Antioch News editor Henry Green were placed on display along with photos snapped by Warren Polley of the school staff and others in school display cases this week.

Pictures taken by Green were snapped as the parade passed along Main St. Some will be found in this edition of the Antioch News. Others not published were taken to be sure the winning float was included.

## Busy Day and Evening Mark Homecoming Fun

There were few still moments in the day and evening as students of Antioch high school marked 1959 Homecoming with a variety of events that started early and finished late.

A not unwelcome note to the day was a victory by the Sequoias over the Grant high Bulldogs by a 27-13 score in the varsity contest.

Earlier in the afternoon the frosh-soph aggregation from Antioch took the measure of the Grant frosh-soph football team by a 20-7 count.

Climax of the activities was the Homecoming ball and coronation of the queen and king for 1959. This took place Saturday evening in the high school gymnasium.

Sue Duha, daughter of Mr. and Mrs. Robert Duha of Bluff Lake, was crowned queen and king was Kenneth Stepien.

PLACING THE crowns on their heads were Elaine Christensen and Russell Cote, last year's queen and king.

Attendants were Sharon Gibbs, Patricia Callahan, runners up this year for the role of queen, with their escorts, Thomas Burda and George Anzinger.

Mary Wertz and Jack Thompson were the junior escorts, Sharon Harms and George Hogan, sophomore escorts, and Barbara Johnson and Paul Hameau, freshman escorts.

Seniors and juniors tied for first place in the parade of floats and a flip of a coin put the last year students "in the money." The sophomores were third.

Student entry winners were Judy Wohlfel, first; Wayne Starman, second; Richard McCarthy, third.

PURE MILK association's float took first place among the business and civic entries, with the citizen's advisory committee second and the

## Benefit Dance Due Saturday

Antioch's swimming pool will benefit from a dance to be given in the Lyons and Ryan Ford salesroom on Main St., this week Saturday evening, starting at 8 o'clock.

Food and other refreshments will be served, Elmer Baethke, chairman of the Antioch Lions club committee in charge, said.

The Lions club is sponsoring the dance as part of its civic work project of the year.

## Antioch Opposes By 3-1 Margin; LV Favors Plan

The Antioch Township high school board of education this week "marked time," indicating it would have no statement to make regarding last Saturday's defeat of a proposed bond issue to finance a new school building.

Citizens of the school district voted 2-1 against a proposed \$1,895,000 bond issue to be used in acquiring a site, build a school and other work at the intersection of the Leola Lake and Deep Lake roads.

Antioch itself went more than 3-1 against the plan, while Lake Villa and Lindenhurst gave relatively small majorities in favor.

The high school board is scheduled to meet next Wednesday evening, Oct. 21, for its regular session.

There seemed little doubt but what a prime topic of discussion at this session will be "what to do next."

A total of 3,127 votes were cast in the election Saturday with 34 of these being declared void due to various things.

ANTIOCH GAVE 495 votes in favor and 1,665 against; Lake Villa voted 355 in favor and 300 against, while Lindenhurst (voting at the B. J. Hooper school) said 182 yes and 90 no.

With the 11 votes in Lake Villa declared void, a total of 686 cast ballots in that community at the grade school.

Lindenhurst had no "void" ballots among its 278 cast, while 23 were declared void in Antioch out of 2,183 marked.

The high school board worked late into the night to complete the count and then adjourned its meeting until next Wednesday evening. Counting ballots was the main item of Saturday night's session.

The Gaston Printing Co., publishers of the Antioch News, was called on to print more ballots Saturday to be sure there were enough for the thousands who took the time to vote.

NO-ONE in authority would speculate this week on what the high school board's next move would be. Last May the high school district rejected a \$1,785,000 bond issue by a vote of 1,042 no, 899 yes and 24 voided.

Leaders of the campaign against building on the proposed site south and east of Antioch have said they would try to pass a referendum for a bond issue to enlarge the present structure.

The high school board has said in the past that while the present building is not overcrowded now that it definitely will be in the next few years.

Some members have said that if nothing is done in the next two years the school might have to go on a double shift.

## Post Office Needs Space

Temporary quarters for handling Christmas mail for the Antioch post office are needed, postmaster Roy Kufalk said this week.

Anyone having such additional space is asked to inquire at the local post office about renting it.

Kufalk also announced that applications are being taken from men and women 18 years of age and older who have spare time to work during the Christmas season.

There is a need for about 10 persons, both male and female. Wages will be \$1.82 per hour for temporary help.

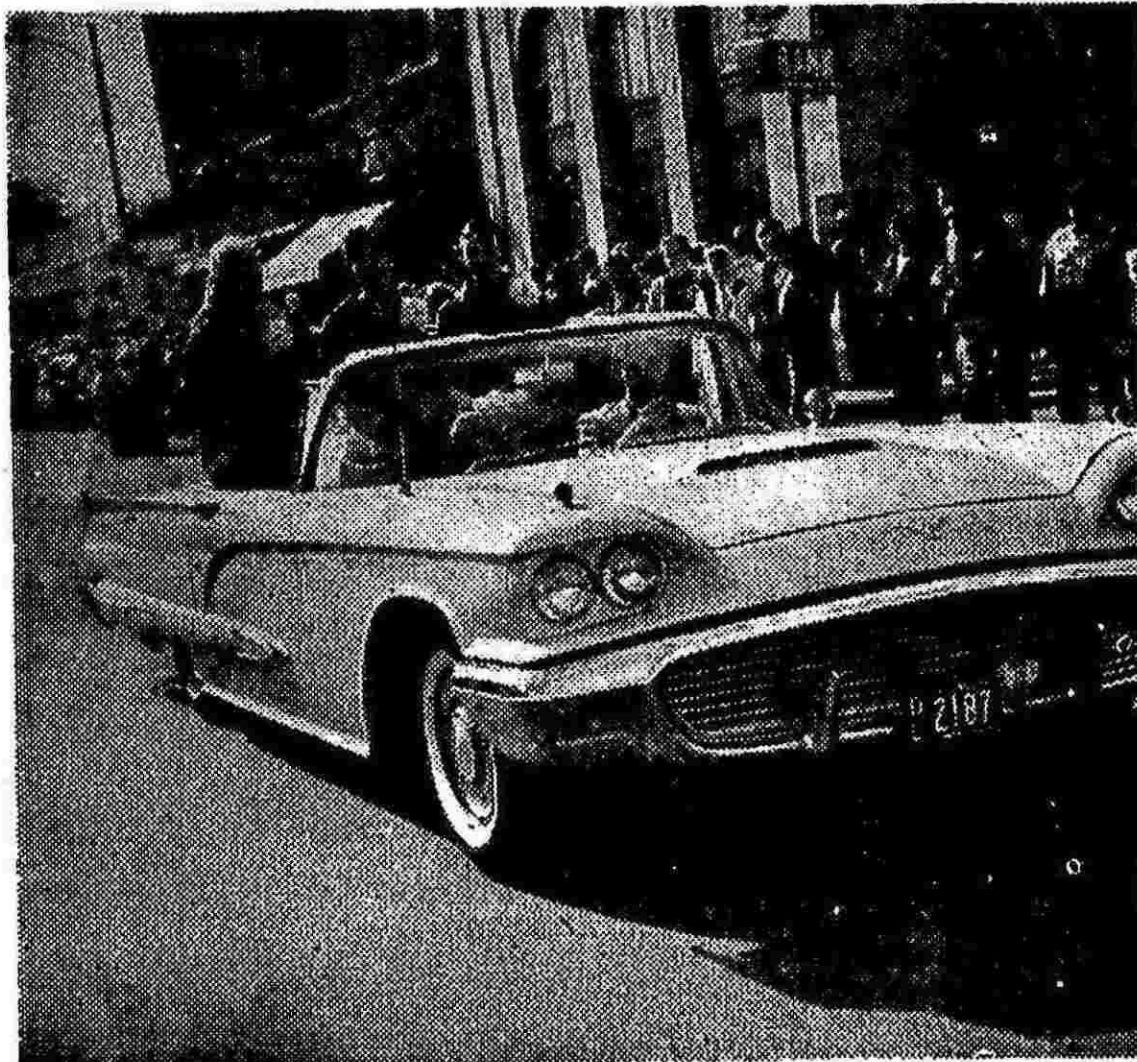

"Lack of space is our biggest problem right now," Kufalk commented. "But we do urge people to mail early, wrap packages well and help us at the post office by addressing correctly."

## "High Finance" Marks Lindenhurst Meeting

LAKE VILLA—Some "high finance" featured a meeting of the Lindenhurst village board of trustees meeting Monday evening at the village hall.

The board was asked to pay one bill for 10 cents and another for 30 cents as submitted by the Illinois Bell Telephone company.

And on top of that the phone firm submitted a credit slip for 10 cents. The board approved paying these and most of the other bills with little comment.

HOMECOMING ROYALTY. Queen Sue Duha (center) is shown between two of the other candidates for the 1959 Homecoming queen honors at Antioch-Township high school as they rode in the parade last Saturday morning down Main St. Miss Sharon Gibbs is at the left and Miss Pat Callahan is at the right. Miss Duha was crowned at ceremonies Saturday evening in the high school gymnasium during the Homecoming dance. Driver of the car shown here is Terry Pack.

OLDEST AND "YOUNGEST". Clara Westlake of Antioch (left) was the "oldest youngest" member of the Methodist church here attending the 80th anniversary of the church held last Thursday evening and this past Sunday morning. People had to be a member of the local church 35 years or more to be honored at the celebration. Drucilla Ferris (center) of Waukegan was the oldest member attending with a membership stretching out over 69 years. Mrs. Carrie Alvors of Markham, Ill., the oldest member was unable to attend. Rev. Wallace Anderson, pastor of the Antioch church, is shown welcoming the two ladies.

# DEAR READER News Editorials

## "Lottery" Defined By Post Office

There is hardly a day that goes by at the Antioch News and most every other newspaper in the country that someone doesn't come in and ask if we can publish a news item that reads something like this:

"A drawing will be held at the Blank club meeting tomorrow night. Tickets may be purchased at the door for \$1 each. Proceeds will go to the Blank club's civic project."

When this happens, we must explain that under federal postal regulations, the Antioch News cannot send anything through the mails about a lottery or what the post office department calls a lottery.

A federal official has defined a lottery as "a scheme where a consideration is furnished in order to qualify for a prize, the awarding of which is dependent upon chance. There are three elements—prize, consideration and chance. All three must be present to constitute a lottery."

Newspapers that make use of second class mailing permits (and the Antioch News sends all but a 500 or so of its papers each week through the mails) by utilizing mail delivery service are affected by post office rules regarding lottery announcements and advertisements.

Whether a prize is present is easily determined because courts have defined a prize as anything of value.

Determining whether or not there is a consideration involved is the first difficult problem in defining a lottery.

Consideration may be in the form of money or something else of substance, but a mere visit to a store without any element of purchase would not make the scheme a lottery.

There is no consideration if the only thing required is visiting a number of stores, or a number of different locations in a store to ascertain if one's name or number has been posted. Nor is consideration present if one must only witness a demonstration of an appliance or to take a ride in an automobile.

In many prize schemes it is represented that chances are given away "free", but the fact is that merchandise must be purchased or a payment made on account before the customer receives his chance. These circumstances may produce a lottery despite the absence of an extra charge for the chance.

Consideration is present if some persons must make purchases to get chances even though some may get chances free.

The fact that there is a "free" participation would make the scheme nonetheless a lottery, if in addition, chances to participate for some are coupled or given with the purchases or other considerations.

The third element of the lottery is chance.

This has been described as not so readily apparent. Chance may be found not only in the method of selecting winners, but also in the determination of the amount of the prize.

If the amount is not fixed and definite at the beginning of the contest, but is controlled by some factors resolved at a subsequent time, then it would be chance to the contestant as to how large or small his prize will be if he is successful.

Chance is obviously present in a drawing, as a raffle or the game of bingo.

Skill and guessing contests may be lotteries if the selection of a winner depends in part upon chance.

## The Antioch News

# Page of Opinion

**FOUR GENERATIONS.** Mrs. Annette Steiber (center), a former resident of Antioch and now of Scottsdale, Ariz., is shown with her mother, Mrs. Antoinette Meers of Chicago (right) and her daughter, Mrs. Rejoice Suchocki (left), also of Chicago, and her granddaughter, Lisa Annette Suchocki. Mrs. Suchocki is a graduate of Antioch high school. The photograph was taken recently.

**KADETTES MARCH.** The Kadette drill group from Lake Villa put on another top quality marching exhibition during the Homecoming parade of Antioch Township high school last Saturday morning. Here they are shown stepping high to the music of the ATHS band and the Lake Villa grade school band as they marched down Main St. The Kadettes sponsored by the Lake Villa VFW post have taken several honors in their drilling and marching abilities. (Antioch News photo)

## Fox Lake Hills

By Jim Jankowiak

Fox Lake Hills Correspondent

Last Saturday, October 10, was the big day all the residents of Fox Lake Hills were waiting for.

The Women's auxiliary sponsored its Harvest Dance at the Fox Lake Legion hall.

There were approximately 250 people present for the Hills' biggest social since the picnic last August.

The whole affair came off quite smoothly through the efforts of Corine Coleman, dance committee chairman, and her able staff of volunteers.

All the folks at the dance commented on the good time they were having.

It was said that more such dances should be planned for the near future because everyone had plenty of fun dancing, talking and getting acquainted with the fellow down the street.

To given an indication of how much fun everyone was having, the band was hired to play overtime.

The Teen club also held a dance. It was on Friday, Oct. 9. There were a number of teens present from Fox Lake, East Shore Gardens, and other nearby areas.

The music was supplied by a record player. Mr. and Mrs. Harold Riley and Mrs. Frank Alex were chaperones for the evening.

Dr. and Mrs. M. N. Wellens were the hosts over the past week or two to the doctor's brothers, one from Montana and the other from Minnesota. They all went to the world series for the sixth game—only to see the Sox lose.

## Toy Demonstration

Wesley Evening Circle of the Woman's Society of Christian Service will meet at 8 p. m. Thursday (tonight) in Wesley hall of the Methodist church.

A toy party has been planned and members are asked to bring their friends.

Devotions will be given by Mrs. Arthur Meierdick, Jr. Hostesses will be Mrs. Wallace Anderson, Mrs. James Cheatham, Mrs. Edward Janneke and Mrs. Frank Denison.

## Born In California

SANTA ANA, Calif. — Marine Acting Cpl. James E. Bown, son of Mrs. Victor G. Bown of 465 Lake St., Antioch, Ill., is serving with the Third Marine Aircraft wing at the El Toro Marine Corps Air station, Santa Ana, Calif.

Jesus said unto him, if thou canst believe, all things are possible to him that believeth. —(St. Mark 9:23.)

Those who are steadfast and firm in their faith—who constantly renew and re-assert their faith in the moments of weakness we all have—go through life strong, happy, useful, self respecting; confident in the truth of Jesus' words.

# Oh, What Troubles We Parents Do Face In Bringing Up Children.

BY MRS. PEARL KAPPEL

What is more infuriating than to undertake to show your child the error of his—or her—ways, only to fail ignobly and suddenly find yourself in the position of having pulled a large "boo-boo"?

A certain gentleman of this locality—whom I shall not name, because I feel he has suffered enough ignominy—recently endured this humiliation.

His teen-age daughter had an annoying habit of leaving the car parked too far out in the road.

The parking place was bordered by large rocks, and her plea was that she could not manipulate the car into proper position without running over said rocks.

Furious at the latest infraction of his rules, her father stormed out of the house, admonishing "Now come and watch how I do it."

HE JUMPED in the car, backed up, and sailed swiftly and adroitly into the parking place—and, with a bump, completely over a large boulder.

Peals of happy, gurgling laughter burst from his delighted child. A neighbor added fuel to the fire by calling, encouragingly, "Well, I guess you showed her how to park," and joining in the laughter.

The irate father snarled an unintelligible reply to both and flew in the house, defeated, humiliated and just plain mad.

However, within a few minutes, he recovered his equilibrium—and sense of humor—and joined in the laughter.

But still smarting—as who doesn't when he fails miserably to make his point before his precocious child who is eagerly awaiting proof that he really doesn't know what he's talking about?

If there is anything worse than this, it is to take a healthy and well-deserved slap at your small child, when goaded beyond endurance, and have the child nimbly dodge so that your hand cracks into the sink, a door, or some other solid object.

IT IS difficult to preserve your dignity when your hand feels like it's broken, and the little monster, even if he has sense enough not to laugh, is certainly standing there with a delighted gleam in his eye, as he sees you suffering the punishment meant for him.

It is also difficult to be very righteous if you tell him he should have stood still so you could hit him instead of the more solid object.

About the only thing you can do in a situation like this is hope it will be quickly forgotten.

Another situation designed to humble a parent is the "upsetting a glass of milk" one. Your young child's habit of upsetting his glass of milk at the table finally causes you to lose your temper.

While mopping up the milk, you are righteously pointing out to him that upsetting a glass of milk is caused by pure carelessness, and he'd need only to slow down, remember his manners, and attempt to practice a little consideration for others and such accidents would be avoided in the future.

At this point, making a sweeping gesture with the dishrag to illus-

trate your point, you upset a glass of milk.

WHAT CAN you do? Join in the laughter at your expense? Not very wholeheartedly, unless you're a saint.

Then there are the times when father is fixing something around the house that is in need of repairs—say, the toaster.

He carefully disassembles the ailing appliance, laying the parts carefully out in order on the table, with frequent admonitions to everyone not to touch anything, locates the source of the trouble, corrects it, and begins to re-assemble the toaster.

This is where the trouble starts. There is always one part that just doesn't fit right.

After considerable sweating and swearing, the appliance is back in one place and father happily plugs it in. The fuse blows.

FATHER DISASSEMBLES the toaster again. He goes downstairs to find another tool, or a fuse.

His teen-age son wanders in, sits down at the table, pushes a few parts together tentatively, re-assembles the toaster, it works, and father comes up to find his son smiling smugly and Mother trying not to. Is he happy?

Well, no, but what can he do? Or say?

In situations of this sort, I, as a parent, feel there is only one thing to do:

Comfort your damaged ego with the realization that, at least, you've done your good turn for the day. One youngster has been made especially happy.

And, in the case of the teen-agers, you can always neatly get even with them by pushing all the odd jobs off on to them, pointing out that, as they're so good at them, they should do them.

That'll teach 'em not to show you up.

The navy's military sea transportation service was activated on Oct. 1, 1959, thereby combining the services of both army and navy transports ferrying troops and supplies throughout the world.

## Blaze Causes Damage To House Near Town

Antioch firemen quickly extinguished a rubbish fire in the basement of the three-story building occupied by Frank's TV and Service on Main St. last Friday morning.

The blaze, believed to have started near the furnace, caused no damage, fire chief Edgar Simonsen said.

## DEATH NOTICES

MRS. PHILIP K. STOCKWELL

Services were conducted Saturday, Oct. 10, at Salem Methodist church for Mrs. Philip Stockwell, 80, who died in a convalescent home in Genoa City on Wednesday.

Services were conducted by the Rev. Carroll Usher, with burial in Salem Mound cemetery.

Born on June 15, 1879 in Chicago to William and Emily Tapsell Clayton, she was reared and educated there.

She was married August 26, 1903 in Chicago to Philip Stockwell. In 1919 the couple purchased the Stockwell family farm at Salem, which had been in the Stockwell family since 1837. She resided there until her death.

Mr. Stockwell preceded his wife in death in 1948.

Survivors include one daughter, Mildred V. Stockwell of Salem; one son, Clayton P. Stockwell, Janesville, Wis.; a grandson, Richard Clayton Stockwell, and one brother, William W. Clayton, Hollywood, Fla.

GEORGE H. WINCHELL

Funeral services for George H. Winchell, 81, of 2805 S. Delaware Ave., Milwaukee, Wis., a former resident of Antioch, were held at 2:30 p. m. this week Wednesday at the Strang funeral home in Antioch. Interment was in Hillside cemetery, Antioch.

Mr. Winchell, who lived in Antioch as a child, was born Dec. 27, 1877 in Michigan. He had lived in Milwaukee since 1918. He was employed as a welder for 30 years until his retirement in 1938.

Rose Lanser and Mr. Winchell were married in Milwaukee on Jan. 10, 1905.

Surviving are his widow, Rose; four sons, Richard, Ralph and Jerome of Milwaukee and Charles St. Francis, Wis.; four daughters, Mrs. Lorraine Myrin, Mrs. June Mombow, Mrs. Agnes Auriemma, all of Milwaukee, and Mrs. Frances Phetlepe of Denver, Colo.; 15 grandchildren and 11 great grandchildren.

Mr. Winchell's mother, Agnes Dunn, preceded him in death in 1945.

## Topics for Today's Women

### Salene L. Nebel, Donald J. Ruhl Married in St. Peter's Church

Miss Salene Louise Nebel became the bride of Donald Jacob Ruhl on Saturday, Oct. 3, at high noon. The Rev. Alfred Henderson performed the double ring ceremony in St. Peter's church, Antioch.

The bride is the daughter of Mr. and Mrs. William H. Nebel of Lake Villa. The groom's parents are Mr. and Mrs. Jacob Ruhl of Edwards road, Antioch.

Given in marriage by her father, the bride chose for her wedding a full length white lace gown, with a Queen Victoria neckline and long sleeves, tapered at the wrist.

Her fingertip veil was caught to a crown of white seed pearls. She carried a cascade bouquet of stephanotis and orchids.

Miss Carol Ruhl, sister of the groom, was the maid of honor and Donald Applehans served his cousin as best man.

Mrs. James Nebel and Mrs. William Nebel, sister-in-law of the bride, and Miss Jackie Ruhl, sister of the groom, attended Miss Nebel as bridesmaids.

Their gowns were floor-length velveteen of varied colors and each wore matching feathers trimmed with pearls as headpieces which held their veils.

James Nebel and William Nebel, brothers of the bride, and James Ruhl, brother of the groom, served as ushers.

The three flower girls were Sandra Voskuil, and Kim and Debbie Nebel, nieces of the bride. Two ring bearers for the couple were Thomas Ruhl, brother of the groom, and Scott Nebel, nephew of the bride. A reception was held for guests at Mark's castle, with Mrs. George Ellison as hostess, assisted by Miss Caroline Kroepin and Mrs. Carl Foforth.

After a honeymoon trip to north-

ern Wisconsin, the couple will make their home in Rapid City, S. Dak.

Both the bride and groom are graduates of Antioch Township high school.

### BPW Enjoys Dinner At Home in Kenosha

A hat show and dinner highlighted a meeting of the Antioch Business and Professional Women's club held Monday evening of this week at the Norm Owens home in Kenosha, Wis.

The program chairman, Karen Christiansen, put on the hat show for MarieAnne's of Antioch, following the dinner.

Lucille Whitaker was the model for the hat showing with all the creations looking good on her, each one being prettier than the last.

A fascinating creation called a feather wig was made of black ostrich feathers and was "the talk of the show."

The November meeting of the BPW will be held at the American Legion hall in Antioch.

### Blind Lady To Speak Oct. 19 At Local Club

Miss Norine McNichols

Featured speaker at the Oct. 19 meeting of Antioch Woman's club will be Norine McNichols, Chicago, nationally-known philosopher and humorist.

Although blind, Miss McNichols covers 100,000 miles a year on speaking engagements with Nipper, her constant companion. Nipper is a Seeing Eye Boxer dog.

Miss McNichols will discuss today's composite woman, and her ever-increasing leisure time. She will trace how this leisure time came about and how it can be used most profitably for a richer, more worthwhile life.

Her witty talks are liberally sprinkled with anecdotes.

The meeting will be held at the Fire Station at 1:30 p.m.

The board of directors will meet at Mrs. William Brook's home at 12 noon for a scheduled business session. Members are asked to bring sandwiches. Mrs. Brook will provide the coffee.

After the business meeting, members will go to the fire station for the regular session.

### Moose Topics

A tenth anniversary party will be held at the Antioch Moose lodge on Saturday, Oct. 17 from 9 p.m. to 1 a.m. There will be a dance and buffet luncheon.

Helen Schott, Dick Roman and Freddie Dagostino, a variety band from Kenosha Moose lodge, will furnish the entertainment.

Chairmen for the 10th anniversary party are Carl Scheisser, Ralph Antes and Allen Erickson.

The Antioch Moose lodge extends a special invitation to all charter members.

### Methodist Circles Meet Next Week

Mrs. Harry Weiss and Mrs. El-Roy Anderson's circles of the WSCS of Antioch Methodist church, will meet at the home of Mrs. Dan Mac Hanes, California Subd., at 1 p.m. on Tuesday, Oct. 20.

On Wednesday, Oct. 21, also at 1 p.m., Mrs. Margaret Gaston will entertain the circle of Mrs. L. C. Scott and Mrs. John Quinn.

Mr. and Mrs. Donald Jacob Ruhl

### Devotions Group To Meet Oct. 22 At Ensign Home

By Mrs. Frank Edwards  
Millburn Correspondent

MILLBURN—Regular services at Millburn Congregational church Oct. 18, Sunday School and church services at 10 a. m.

The Devotional Study group met Thursday morning at the home of Mrs. Garrett Trout. The next meeting will be Oct. 22 at 9 a. m. at the home of Mrs. Charles Ensign at Antioch.

Rev. and Mrs. L. H. Messersmith, Elbert Scales, Thomas Harness, Mrs. Harley Clark, Mrs. Carl Anderson and Mrs. Frank Edwards attended the annual meeting of Congregational churches at Ivanhoe church last Sunday evening.

The Men's club met at the church last Monday evening Dr. Rockwell C. Smith and a student, John Louer of Barrett Biblical Institute were the speakers.

Mr. and Mrs. James Bonner and children of Kansasville, Wis., were Sunday afternoon callers at the home of Mrs. Harley Clark.

Mr. and Mrs. Robert Erwin of Waukegan were callers at the home of Mrs. Frank Edwards Saturday morning.

Lt. Col. and Mrs. L. K. Watson and children of Granite City, Ill., and Ellis Gott of Waukegan were dinner guests of Mrs. Lyman Bonner Saturday evening.

Mr. and Mrs. Jake Nauta and Mrs. Julia Offenlock of Waukegan and Mr. and Mrs. Clarence Hauser of Paris Corners spent Sunday afternoon at the Frank Hauser home.

Mrs. Harley Clark spent Monday evening at the home of Mr. and Mrs. Walter Fontaine of Gurnee.

John Edwards and daughter, Lynn, of Libertyville spent Saturday at the home of his mother, Mrs. Frank Edwards.

Mr. and Mrs. Kent Davis and children Gary and Marcia of Farnum, Neb., are guests of Rev. and Mrs. L. H. Messersmith.

Mr. and Mrs. Milton Bauman and daughters spent the week-end at the William Ferry home in Grosse Pointe, Mich. Mrs. Anna Bauman returned home with them after spending several weeks at the Ferry home.

Rev. L. H. Messersmith attended a ministers' meeting of West Lake county at the Methodist church in Libertyville Monday morning.

### Social Notes

Mr. and Mrs. L. C. Scott of Edwards road left Sunday for a 10 day trip to the Smoky Mountains and Washington, D.C.

Miss Alice E. Smith, Ida Ave., left Monday by train for a visit with a cousin, Cora McClellan, at Norwood, N. Y. Miss Smith was escorted to the train by Miss Cornelia Roberts, of Grayslake, but she will make the trip alone.

Friends of Howard and Shirley Benson, now of Hoffman Estates, Roselle, Ill. will be happy to learn of the birth of their second son, John Christopher, who joined the family on Sept. 30. Their 2½ year old Paul, was born while the Bensons were living in the Methodist parsonage here.

The Esther circle of the Antioch Methodist church was entertained Wednesday evening at the home of Mrs. Nason Sibley at Lake Marie.

### Hearing Is Scheduled On Change in Zoning

A public hearing will be held in the Antioch village hall at 1:30 p.m. Oct. 29 on petition of Mr. and Mrs. Arthur C. Lubkeman of North Ave. to change zoning of a parcel of land north of State Line road.

It is reported that construction of two private homes on the 264 by 190 foot tract is planned.

The hearing would be held by the Lake county zoning board of appeals for change of the present F-Farming zone to an R-4 zoning (10,000, 12,000 and 10,000 square foot residential) classification.

Nearby areas along the Soo line railroad have been zoned for business and industry, including zoning in Kairy's Subdivision.

### Fashion Show Slated Oct. 27 at Lake Villa

LAKE VILLA—The 4th Annual Fashion show, sponsored by the Prince of Peace Altar and Rosary society at 8 p.m. Tuesday, Oct. 27, will be in the Church hall at Routes 21 and 132.

Refreshments will be served and there will be an added feature at the hat bar.

### Bristol Folks Injured In Automobile Crash

BRISTOL, Wis.—Five persons were injured last Saturday when a car left highway 50 east of Kenosha county trunk D and overturned.

Verna M. Risinger, 31, of Bristol, driver of the vehicle, said she was going east on highway 50 when a car pulled into the highway from D.

Mrs. Risinger suffered a crushed right hand. Others injured were William Risinger, age 8; Lois, 11; Donald 5, and the father, Everett Risinger. All but the father were treated at a Kenosha hospital.

### Fire Extinguished

Contents of a house on route 59 about a mile south of the Grass Lake road was damaged by fire Sunday night while Michael Bell-wick was away, he told sheriff's police.

He said he left home about 9 p.m. Saturday and that on his return about 2:30 Sunday morning he found two pillows and curtains on a rear porch as well as in the kitchen had been burned.

A rear door window had been broken and intruders apparently had reached through the broken pane to unlatch the door.

### ATHS MUSIC ASSOC. MEETS TUESDAY

The Antioch Township High School Music association will meet at 7:30 Tuesday evening, Oct. 20, in the school cafeteria.

All parents of music students and all persons interested in the music program are invited to the meeting. This will be one of the few business meetings of the year.

Mothers of freshman students will serve the refreshments.

least two parcels to facilitate disposal, replacing fences on border of base with federal government carrying half of the cost.

And finally restoration of the base property to a taxable land use at the earliest possible moment.

Rep. Gerald T. Flynn of this congressional district has asked again for a review of the decision to close the Bong base project.

He urged air force secretary James Douglas to "go slow in disposing of the base or in making any permanent disposition of it."

### Don't Leave Child Alone

URBANA—Do you ever leave your children at home alone? Don't especially if they are very young.

Children left at home unattended would be completely helpless in case of fire or other emergency, says O. L. Hogsett, extension safety specialist at the University of Illinois college of agriculture.

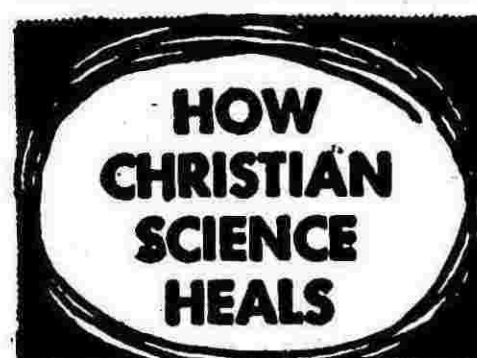

Each year about 12,000 Americans die needlessly in fire, and more than twice that number are severely burned or disfigured for life. Preschool children and old people are the principal victims of fire.

Never leave your children unattended, and make sure that your baby sitter is well trained and capable of protecting them in the face of emergency.

Make sure your sitter knows where the telephone is, and make it easy for her by prominently posting the telephone numbers of the fire and police departments.

But, best of all, don't give fire a place to start.

Observe National Fire Protection Week October 4 through 10.

### Rainbow Group Initiates Girls

Two girls were initiated into the local chapter when Antioch assembly no 23, Order of Rainbow for Girls, met Monday evening. The girls were Susan Bloom and Carol Frazier.

Plans were made for the official visit of Claudia Rae Keefer, grand worthy advisor of the state of Illinois.

All Eastern Star and Masonic members are being urged to attend the official to be held at 7:30 p.m. Friday, Oct. 23, in Wesley hall of the Antioch Methodist church.

Officers of the Antioch assembly will meet at the home of Mrs. Wilma Gibbs, mother advisor, at 4 p.m. Thursday, Oct. 15.

There will be a practice for all girls in the local chapter at 7:30 p.m. Monday, Oct. 19, in Wesley hall.

The girls reported taking in \$13.40 at the candy sale during the recent bazaar sponsored by the Eastern Star.

### Township Ladies Form GOP Club

Mrs. Ruth Seyfarth was elected temporary chairman of a group of Antioch Township Republican women when they met at the American Legion hall late last week to organize.

About 20 ladies interested in Republican party work and principles met with the Antioch Township Men's Republican club.

It was decided to organize a women's auxiliary to the men's club.

Another meeting of the ladies is scheduled for Wednesday, Oct. 28, at the home of Mrs. Herbert Horton when it is expected that permanent officers will be selected.

All women in Antioch township interested in joining whether they have been contacted or not, they will be welcome to attend.

### Grass Lake PTA Meet

Regular meeting of the Grass Lake school PTA will be held at 8 p.m., Monday, Oct. 19, in the school building.

A panel discussion entitled "Delegates Look Back on Convention" with the mesdames Walter Johnson, Earl Beese, Clyde Queen and James Ferrier forming the panel, will be a highlight.

Refreshments will be served by Mrs. Roy Frasier and mothers of seventh grade room pupils.

### Birth Announcement

Lake Villa and Antioch couples became parents at Waukegan hospitals recently. Mr. and Mrs. Robert Wagner of Lake Villa were parents of a son, and Mr. and Mrs. Gordon Cole of Antioch of a daughter.

Gordon Malgard, Walker Curnes, Nick Gilio, Alfred Breit, James McDowell, Nick and Ellen Badame and Alda M. Camillo.

## Restaurant Praises AHS Pupil Behavior

A letter received this week from a Vernon Hills, Ill., restaurant complimented Antioch Township high school students and the school staff for "training such a well-mannered group of young ladies and gentlemen."

The letter went on to say, in part: "These children were dining at Vernon Hills restaurant-motel last Saturday night after the Homecoming dance, and their manners were excellent."

"... I met and talked to a lot of people and believe me, their manners must be complimented; even the older folks commented on their behavior."

The letter was addressed to the Antioch Township high school principal, A. L. Dittman.

## "Antioch High Chatter"

By Marie Jasien  
Antioch High Reporter

Things have really quieted down after a hectic Homecoming weekend. All the activity started last Friday with the bonfire and pep rally at eight o'clock.

The parade was supposed to start at 10:30, but as these things are usually rather hard to organize, it was a few minutes late.

The first float in it was the Senior class "Showboat," which incidentally, took first place.

Leading the prize winning float were Pat Dorner and Judy Day dressed in old fashioned dress, and smiling with the exuberance of knowing the float they led had taken first prize.

All the floats followed the "Turn Back the Pages" theme, depicting such eras as the gay 1890's and the torrid twenties, and the old river boat days.

After the parade, the Sequoia's battered away against the Grant

Bulldogs, and proceeded to "make hot dogs out of bulldogs." This last statement was a slogan used to build more school spirit.

Winning this game for the junior varsity gave them a 1 win-2 losses-1 tie record, and the mighty varsity has a 3-wins, 1-loss record.

At eight o'clock the dance began, and everyone had a glorious time, especially Sue Duha and Ken Stepien, who were crowned King and Queen of the 1959 Homecoming.

The other girls in the court were Sharon Gibbs, escorted by George Anzinger, Pat Callahan, escorted by Tom Burda, who were runners-up for queen.

The junior attendant was Mary Wertz, escorted by Jack Thompson.

Everyone must agree that Homecoming 1959 version, was a tremendous success.

This Monday the seniors received their proofs for their seniors pictures back. They will look over the numerous poses they received, and

Friday their final orders will be placed.

The junior play, which will be given November 20 and 21, has started rehearsals.

The weeks leading up to the actual day are hard, and often almost impossible for the cast, but that final night when they get on that stage they realize it was all worth it.

Since the weather has been so much against the G.A.A., members have given up on softball. Volleyball team captains have been elected.

They are Nancy Srch, Nancy Scott, Carol Hansen, Pat Callahan, Pat Byrne, seniors, and Dee Stillson, Carole Gundelach, and Penny Camphausen, juniors.

This week is the last week of the six weeks, and that means tests, and the teachers must stay up until three in the morning seven nights a week to think up the hard tests they have been giving this week.

Wednesday, Thursday and Friday seniors will be taking state government tests. They must pass these tests before graduation.

The midnight oil will be burning the nights before these exams.

REPUBLICAN WOMEN of Antioch Township met at the Legion hall in Antioch last Thursday evening to organize an auxiliary to the township's men's Republican club. The GOP women will meet again Oct. 28 in a place to be announced. All women interested in joining, whether contacted by other women or not, will be welcome to attend. Mrs. Ruth Seyfarth was elected temporary chairman last week. Shown here are, from left in back row, Marie Latkey, Helen Burke, Mrs. Seyfarth, Charlotte Queen; front row, Lillian Golonka, Rose Bolevicka, Ruth Horton, Gertrude Orsinger and Evelyn Miller. (Antioch News photo)

The next issue of the "Tom-Tom" comes out next week and all the kids are waiting impatiently to see how it has improved, as surely it will. And soon AHS will have the best "Tom-Tom" in its history.

Church Loyalty Sunday Scheduled  
At Lake Villa Methodist Oct. 18

LAKE VILLA—Oct. 18 has been named Church Loyalty Sunday for the Lake Villa Community Methodist church.

On that day, all families affiliated with the church are expected to attend either the 9:30 or 11 o'clock service and help celebrate the first anniversary in the new sanctuary.

The choir will present the same music that was used in the services that opened the beautiful new structure on McKinley Avenue a year ago.

The sermon, "The Spirit of the Church," will be given by Rev. Gerald B. Robinson.

A commissioning service for workers of the Every Member Canvass will be a part of the Loyalty Day services.

The annual Every Member Canvass will begin in the afternoon at 2 o'clock. Visiting teams will call on the church families and present the story of the church, its history, the program and services offered, and the church budget.

They will urge the people to show their loyalty to the church by their prayer, presence, gifts and service.

The visiting teams will be under the direction of Warren Brown, chairman of the Committee of Visitation, Martin Roeder, Chairman of the Every Member Canvass, and Rev. Robinson.

The workers are:  
Division leaders: Mrs. James Connell, Robert Henderson, Harry Weber, and Robert Rolin.

Captains: John Chmelir, Ermine Stone, Joel S. Schimpf, B. J. Hooper, Vern Blust, Mrs. Carol Effinger, Robert Bailey, Joe Botts, Ernest Nielsen, Mr. and Mrs. Martin Lau, Mrs. Ruth Flood, and Mrs. Bernard Knipple.

Team members are Harold Newyear, Ted Petersen, Mr. and Mrs. Ken Rolin, Mrs. John Chmelir, Harry Bennett, Russ Nickerson, Mrs. Tom Hay, Mrs. William Seifert, Mrs. Ermine Stone, Mr. and Mrs. John

Grade School PTA  
Will Meet Monday

Mrs. Paul Messenbrink of Libertyville, president of the Lake County Council of PTA, will be speaker for the Antioch grade school PTA when it meets at 8 p.m. Monday.

She will talk on "What the PTA Can Mean to Us on Local, State and National Levels."

The final report will be given on the smorgasbord held by the organization last Saturday evening at which 440 persons were served.

Seventh grade mothers will serve refreshments with Mrs. Marvin Heath and Mrs. Jack Sobey in charge.

Local Folks to Report  
On Child Aid Survey

Antioch people will report on a survey of child welfare services and needs in this community when the Lake county welfare council meets at 12 noon Wednesday, Oct. 21, at the Swedish Glee club in Waukegan.

The committee in this area that worked on the survey were Mrs. Wallace Anderson, chairman; Frank Denison, Mrs. Albert Dittman, Mrs. Elmer Eberman and Betty Lu Williams.

The study in Lake county was begun almost a year ago at the request of the county welfare council. Local groups in each of the 18 townships of the county cooperated in securing information.

Intensive work by the family and children's committee was done in addition to that by committees from the various communities.

Mail or telephone reservations for the luncheon meeting Oct. 21 may be made to Mrs. Evelyn Diver, 215 Water St., Waukegan, by Monday of next week. Her telephone number is DE. 6-5212.

## Legal Notices

## ADJUDICATION AND CLAIM DAY NOTICE

NOTICE IS HEREBY GIVEN to all persons that the first Monday of December, 1959, is the claim date in the estate of GODOLEVA LAZZARO (aka Annie Lazzaro), Deceased pending in the Probate Court of Lake County, Illinois, and that claims may be filed against the said estate on or before said date without issuance of summons. All claims filed against said estate on or before said date and not contested, will be adjudicated on the first Tuesday after the first Monday of the next succeeding month at 9 A.M.

## Oratory

WOMEN are generally thought to have sweeter voices than men, and as far as this serves as any guide, we may infer that they first acquired musical powers in order to attract the other sex. But, if so, this must have occurred long ago, before our ancestors had become sufficiently human to treat and value their women merely as useful slaves. The impassioned orator, hard or musician, when with his varied tones and cadences he excites the strongest emotions in his hearers, little suspects that he uses the same means by which his half-human ancestors long ago aroused each other's ardent passions, during their courtship and rivalry. — Charles Darwin (1809-1882) in "The Descent of Man."

A dangerous ambition more often lurks behind the specious mask of zeal for the rights of the people than under the forbidding appearance of zeal for the firmness and efficiency of government. History will teach us that the former has been found a much more certain road to the introduction of despotism than the latter. — Alexander Hamilton (1757-1804) in The Federalist Papers.

Socrates: I am contented with the admission that rhetoric is of two sorts; one, which is mere flattery and disgraceful declamation; the other, which is noble and aims at the training and improvement of the souls of the citizens, and strives to say what is best, whether welcome or unwelcome to the audience. But have you ever known such a rhetorician? If you have can you point out any rhetorician who is of this stamp... who may be said to have improved the Athenians... who found them worse and made them better, from the day that he began to make speeches? For, indeed, I do not know of such a man. — Plato, who quoted his tutor, Socrates, in his "Dialogues."

Slim, thin cupboards built between studs in a kitchen wall hold a lot of food. Shelves, nailed between the studs, are only 3 1/4 inches deep, but this is enough for cans, jars and spices. Nothing will get lost behind another item. You can store rice, macaroni, and other staples in quart jars on the shelves. Lightweight doors are sufficient to close the cupboard.

the building.  
Location of Property: Northwest corner at intersection of Deep Lake and Loon Lake Roads about 3 miles Southeast of the Village of Antioch.

The sale will be made on the following terms:

The sale will be made to the highest bidder. A contract will be entered into between the County Board of School Trustees executed by its Secretary and the successful bidder on the particular parcel at the conclusion of the bidding and the successful bidder will be required to deposit twenty per cent (20%) of the amount bid at that time and to pay the balance of the purchase price within 30 days. If the balance of the purchase price is not paid within 30 days, then at the option of the County Board of School Trustees the twenty per cent (20%) deposit will be retained as damages and the bidder will then forfeit all interest in the property. The purchaser must remove the building and contents without cost to the School Board within ten (10) calendar months from the date of sale.

Dated this 15th day of October, 1959, by Order of the County Board of School Trustees of Lake County, Illinois.

COUNTY BOARD OF SCHOOL TRUSTEES OF LAKE COUNTY, ILLINOIS

ROBERT J. WILTON, President

W. C. PETTY, Secretary  
(Oct. 15-22-29, 1959)

## Check Grain Bins Before Colder Weather

By Paul Jaeger  
Kenosha County Agricultural Agent

KENOSHA, Wis. — Have you checked your grain bins for any evidence of heating and insects?

If you haven't checked them, Paul Jaeger, Kenosha county agricultural agent, suggests that you do so in the next few days and continue doing so regularly until the cold weather of December.

"Go over all of the bins," Jaeger says, and feel for hot spots in the grain; then, too, look for insects or mites."

Several farmers in the Randall-Wheatland area reported having found their oats to contain hot spots and insects in these warm areas.

The insects found have been of two types.

The saw-toothed grain beetle which is a slender, flat, brown beetle about one-tenth of an inch long and very fast moving was found.

IN ITS larval or first stage of life it is a tiny crawler about 1/3 to 1/2 the length of a kernel of wheat. It feeds on chaffy grain and ground feeds.

The other type found is the cadelle. The larva of the cadelle is one of the largest of the grain-infesting insects.

It is from 1/2 to 3/4 of an inch long, fleshy and the abdomen or main body section ending in two dark horny points.

The larva or crawler is a dirty white, with both head and "tail-end" being black. The adult cadelle beetle is black and about 1/3 inch long.

Both the larvae and adult cadelle feed on the grain and have the destructive habit of going from kernel to kernel and devouring the germ.

That, of course, would mean the kernel would have no seed value.

AS A result of the infestation in Kenosha county, Jaeger asked the University of Wisconsin extension entomologist, Ellsworth Fisher, to a meeting on the stored insect problem at Bassett last week.

Fisher indicated that a standard fumigant is a ready-mixed combination of 15 percent tetrachloride.

If the tiny grain mites are also a problem, a fumigant containing an additional five to ten per cent ethylene dibromide would be superior.

Fisher suggested leveling the grain in the bin, and applying from 6 to 8 gallons of the fumigant per 1000 bushels of grain with a sprinkling can.

Fisher cautioned that the material should be applied as quickly as possible and avoid breathing the materials and that it would be wise to wear boots to prevent the legs from itching.

The vapor of the fumigant will seep down through the grain. If the bins are above cattle or poultry, they would have to be kept out for one to three day period.

THE FUMIGATED grain can be used for feed about two days after fumigation.

Some fumigants contain methyl bromide. This is deadly to man and should be used only by experienced pest control operators, according to Fisher.

It should be pointed out that these insects are fairly long lived, and reproduce rapidly under warm humid conditions as experienced in this area recently.

The situation means that farmers need to check grain now and also should use an insecticide in grain bins before putting in new grain next summer, as they live in crevices and even in the wood itself.

Copies of the bulletin "Stored Grain Pests" are available in the county agent's office in Kenosha, to help people identify and learn more about these insects and their habits.

Church Loyalty Sunday Scheduled  
At Lake Villa Methodist Oct. 18

LAKE VILLA—Oct. 18 has been named Church Loyalty Sunday for the Lake Villa Community Methodist church.

On that day, all families affiliated with the church are expected to attend either the 9:30 or 11 o'clock service and help celebrate the first anniversary in the new sanctuary.

The choir will present the same music that was used in the services that opened the beautiful new structure on McKinley Avenue a year ago.

The sermon, "The Spirit of the Church," will be given by Rev. Gerald B. Robinson.

A commissioning service for workers of the Every Member Canvass will be a part of the Loyalty Day services.

The annual Every Member Canvass will begin in the afternoon at 2 o'clock. Visiting teams will call on the church families and present the story of the church, its history, the program and services offered, and the church budget.

They will urge the people to show their loyalty to the church by their prayer, presence, gifts and service.

The visiting teams will be under the direction of Warren Brown, chairman of the Committee of Visitation, Martin Roefer, Chairman of the Every Member Canvass, and Rev. Robinson.

The workers are:  
Division leaders: Mrs. James Connell, Robert Henderson, Harry Weber, and Robert Rolin.

Captains: John Chmelir, Ermine Stone, Joel S. Schimpf, B. J. Hooper, Vern Blust, Mrs. Carol Effinger, Robert Bailey, Joe Botts, Ernest Neilsen, Mr. and Mrs. Martin Lau, Mrs. Ruth Flood, and Mrs. Bernard Knipple.

Team members are Harold Newyear, Ted Petersen, Mr. and Mrs. Ken Rolin, Mrs. John Chmelir, Harry Bennett, Russ Nickerson, Mrs. Tom Hay, Mrs. William Seifert, Mrs. Ermine Stone, Mr. and Mrs. John

Grade School PTA  
Will Meet Monday

Mrs. Paul Messenbrink of Libertyville, president of the Lake County Council of PTA, will be speaker for the Antioch grade school PTA when it meets at 8 p. m. Monday.

She will talk on "What the PTA Can Mean to Us on Local, State and National Levels."

The final report will be given on the smorgasbord held by the organization last Saturday evening at which 440 persons were served.

Seventh grade mothers will serve refreshments with Mrs. Marvin Heath and Mrs. Jack Sobey in charge.

Local Folks to Report  
On Child Aid Survey

Antioch people will report on a survey of child welfare services and needs in this community when the Lake county welfare council meets at 12 noon Wednesday, Oct. 21, at the Swedish Glee club in Waukegan.

The committee in this area that worked on the survey were Mrs. Wallace Anderson, chairman; Frank Denison, Mrs. Albert Dittman, Mrs. Elmer Eberman and Betty Lu Williams.

The study in Lake county was begun almost a year ago at the request of the county welfare council. Local groups in each of the 18 townships of the county cooperated in securing information.

Intensive work by the family and children's committee was done in addition to that by committees from the various communities.

Mail or telephone reservations for the luncheon meeting Oct. 21 may be made to Mrs. Evelyn Diver, 215 Water St., Waukegan, by Monday of next week. Her telephone number is DE. 6-5212.

## Oratory

WOMEN are generally thought to have sweeter voices than men, and as far as this serves as any guide, we may infer that they first acquired musical powers in order to attract the other sex. But, if so, this must have occurred long ago, before our ancestors had become sufficiently human to treat and value their women merely as useful slaves. The impassioned orator, bard or musician, when with his varied tones and cadences he excites the strongest emotions in his hearers, little suspects that he uses the same means by which his half-human ancestors long ago aroused each other's ardent passions, during their courtship and rivalry. — Charles Darwin (1809-1882) in "The Descent of Man."

A dangerous ambition more often lurks behind the specious mask of zeal for the rights of the people than under the forbidding appearance of zeal for the firmness and efficiency of government. History will teach us that the former has been found a much more certain road to the introduction of despotism than the latter. — Alexander Hamilton (1757-1804) in The Federalist Papers.

Socrates: I am contented with the admission that rhetoric is of two sorts; one, which is mere flattery and disgraceful declamation; the other, which is noble and aims at the training and improvement of the souls of the citizens, and strives to say what is best, whether welcome or unwelcome to the audience. But have you ever known such a rhetorician? If you have can you point out any rhetorician who is of this stamp... who may be said to have improved the Athenians... who found them worse and made them better, from the day that he began to make speeches? For, indeed, I do not know of such a man.—Plato, who quoted his tutor, Socrates, in his "Dialogues."

Slim, thin cupboards built between studs in a kitchen wall hold a lot of food. Shelves, nailed between the studs, are only 3 1/2 inches deep, but this is enough for cans, jars and spices. Nothing will get lost behind another item. You can store rice, macaroni, and other staples in quart jars on the shelves. Lightweight doors are sufficient to close the cupboard.

the building.  
Location of Property: Northwest corner at intersection of Deep Lake and Loon Lake Roads about 3 miles Southeast of the Village of Antioch.

The sale will be made on the following terms:

The sale will be made to the highest bidder. A contract will be entered into between the County Board of School Trustees executed by its Secretary and the successful bidder on the particular parcel at the conclusion of the bidding and the successful bidder will be required to deposit twenty per cent (20%) of the amount bid at that time and to pay the balance of the purchase price within 30 days. If the balance of the purchase price is not paid within 30 days, then at the option of the County Board of School Trustees the twenty per cent (20%) deposit will be retained as damages and the bidder will then forfeit all interest in the property. The purchaser must remove the building and contents without cost to the School Board within ten (10) calendar months from the date of sale.

Dated this 15th day of October, 1959, by Order of the County Board of School Trustees of Lake County, Illinois.

## Check Grain Bins Before Colder Weather

By Paul Jaeger  
Kenosha County Agricultural Agent

KENOSHA, Wis. — Have you checked your grain bins for any evidence of heating and insects?

If you haven't checked them, Paul Jaeger, Kenosha county agricultural agent, suggests that you do so in the next few days and continue doing so regularly until the cold weather of December.

"Go over all of the bins," Jaeger says, and feel for hot spots in the grain; then, too, look for insects or mites.

Several farmers in the Randall-Wheatland area reported having found their oats to contain hot spots and insects in these warm areas.

The insects found have been of two types.

The saw-toothed grain beetle which is a slender, flat, brown beetle about one-tenth of an inch long and very fast moving was found.

IN ITS larval or first stage of life it is a tiny crawler about 1/3 to 1/2 the length of a kernel of wheat. It feeds on chaffy grain and ground feeds.

The other type found is the cadelle. The larva of the cadelle is one of the largest of the grain-infesting insects.

It is from 1/2 to 3/4 of an inch long, fleshy and the abdomen or main body section ending in two dark horny points.

The larva or crawler is a dirty white, with both head and "tail-end" being black. The adult cadelle beetle is black and about 1/3 inch long.

Both the larvae and adult cadelle feed on the grain and have the destructive habit of going from kernel to kernel and devouring the germ.

That, of course, would mean the kernel would have no seed value.

AS A result of the infestation in Kenosha county, Jaeger asked the University of Wisconsin extension entomologist, Ellsworth Fisher, to a meeting on the stored insect problem at Bassett last week.

Fisher indicated that a standard fumigant is a ready-mixed combination of 15 percent tetrachloride.

If the tiny grain mites are also a problem, a fumigant containing an additional five to ten per cent ethylene dibromide would be superior.

Fisher suggested leveling the grain in the bin, and applying from 6 to 8 gallons of the fumigant per 1000 bushels of grain with a sprinkling can.

Fisher cautioned that the material should be applied as quickly as possible and avoid breathing the materials and that it would be wise to wear boots to prevent the legs from itching.

The vapor of the fumigant will seep down through the grain. If the bins are above cattle or poultry, they would have to be kept out for a one to three day period. THE FUMIGATED grain can be used for feed about two days after fumigation.

Some fumigants contain methyl bromide. This is deadly to man and should be used only by experienced pest control operators, according to Fisher.

It should be pointed out that these insects are fairly long lived, and reproduce rapidly under warm humid conditions as experienced in this area recently.

The situation means that farmers need to check grain now and also should use an insecticide in grain bins before putting in new grain next summer, as they live in crevices and even in the wood itself.

Copies of the bulletin "Stored Grain Pests" are available in the county agent's office in Kenosha, to help people identify and learn more about these insects and their habits.

# Sequoits Trample Bulldogs By 27 to 13

## Antioch Gridders Play Round Lake There Saturday

Antioch high's Sequoits travel to Round Lake this week Saturday to clash with that community high school gridders in a Northwest Suburban conference game scheduled for 2:30 p.m.

Homecoming football fans were pleased at least as far as Antioch was concerned—as the ATHS Sequoits polished off a 27-13 victory over Grant high of Fox Lake last Saturday afternoon.

The Cardinal and Gray warriors posted their first football victory over Grant's Bulldogs since 1955 in ringing up their second conference victory in three starts this season.

Tricky aerial work by the Sequoits kept the visitors off balance and for the most part a stout defense cornered the Bulldogs for the first three quarters.

Quarterback Dick Wolf threw touchdown passes to Dick Gudgeon and to Bob Wozniak and another was set up and scored on a forward-lateral from Don Pyles to Gudgeon to Jack Thompson.

Pyles tallied once for ATHS on a plunge and added three extra points from placement.

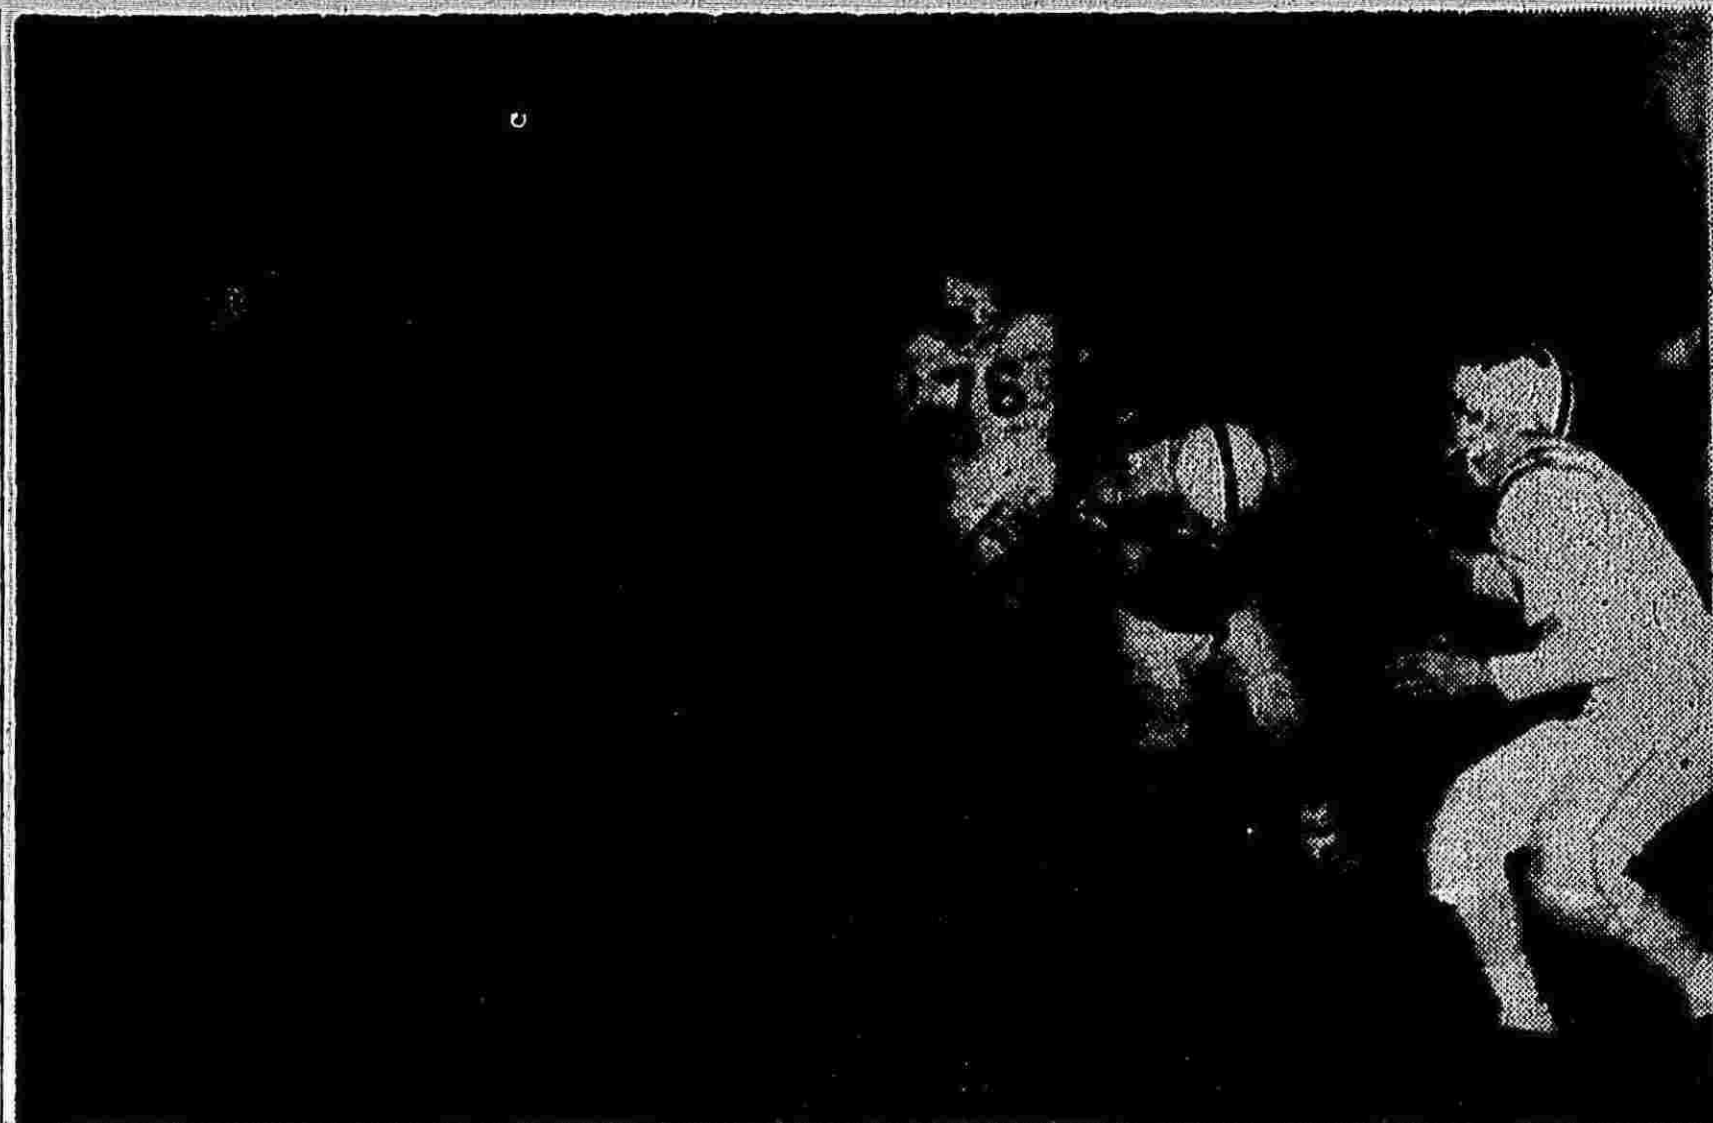

ANTIOCH HIGH built up a 27-0 lead before the Grant high gridders found the scoring range in the final quarter of play.

The Sequoits recovered a Grant fumble on the Bulldog 45 to set up the first ATHS touchdown with Pyles finally going over the final white stripe from the 5. Two forward-laterals had helped set up the td.

The home team marched 56 yards for their second td in 10 plays to tally its second score, this one coming in the second quarter as Pyles hit paydirt from 3 yards out. Antioch led at the half 14-0.

It took five plays to cover 42 yards for the third Sequoit score as Wolf hit Gudgeon for 8-yard spiral to bring the touchdown. Short passes from Wolf to Chip Eberman and to Tom Burda featured the drive.

Final touchdown for the Cardinal and Gray came in the fourth stanza with a screen pass that covered 57 yards from Wolf to Wozniak going the distance. Good inter-

DON PYLES RUNS the ball for a fair sized gain in the Antioch high Northwest Suburban conference football game with Warren on the Gurnee field on October 30. The Sequoit player shown in the dark shirt at right is believed to be either Dick Gudgeon or Dick Wolf. ATHS lost this encounter played in a driving rain during most of the second half, 27-20. This photo apparently was snapped before the heavy rain came down.

ence formed in front of Wozniak. Pyles again booted the extra point and Antioch led 27-0.

Grant had been pretty well contained during the first three periods with Bulldog fumbles and some tough defense by the Sequoits holding the visitors in check pretty well.

The Bulldogs were not to be denied a touchdown however and finally got to rolling twice in the final quarter.

Sam Molose tallied from 7 yards out to end the first Grant high

drive from the Sequoits 40 yard line. Later Mike Bertolette went over from the 1-yard mark to climax another Bulldog march.

Ed Coats made one placement good for an extra point for Grant.

The Sequoits had somewhat the better of the argument statistic wise also, gaining 300 yards from scrimmage, including 151 on the ground and 149 through the air.

The visitors were limited to 69 yards rushing and 126 through the air.

## Coots Are In Grass Lake And Teal Seen in Potholes

By Jim Jankowiak

According to experts, this duck season will be the worst since the 1930's. The droughts in the Prairie Provinces have reduced nesting grounds to a minimum.

This and also the late breaking of the ice has caused immense flocks not even to attempt to nest. Some finally did nest, however, after the ice let out in the Northland, but an early freeze could bring disaster on the young ones.

As it appears now, by far the largest majority of late hatches are ready to fly south.

Now for the all-important local picture.

THE COOTS, as usual, are up in the North Bay of Grass Lake where they make their summer haunts. The flock is a few thousand strong.

Exact estimates cannot be made because too many are back in the lilly pads and thus cannot be seen. Summed up, there will be plenty of coots to go around for the annual Coot Shoot armada.

Due to the recent inclement weather in the north, many of the ducks already have started to leave for the south. It was hoped by old time hunters that the weather would

hold up until the Illinois season starts on Oct. 30.

Generally the season opens earlier in the month so the early flocks can be hunted. This year, much of the early flocks will be missed if the ducks start flying too soon.

TEAL, BOTH green-wing and blue-wing, are to be found rather commonly in the Chain 'O Lakes with more winging into the potholes every day.

Also noted that there were quite a few bluebills mingling with the coots.

The rains here in the Lakes area have caused all of the potholes to fill completely. This situation will benefit mainly sporting hunters who travel from pothole to pothole in search of ducks - usually known as jump shooting.

In closing, all the hunters who have built their blinds close to the water level had better break out their hip boots.

The water in Grass Lake alone is up about 16 inches. As one old timer put it,

"These rains were supposed to come according to the way they happen every year. And every year I build mine high out of the water to be sure."

## 'Fumbilitis' Again Hurts Wilmot High

WHITEWATER, Wis.—Fumbilitis on the part of Wilmot high players again proved their downfall as they dropped their second Southern Lakes conference game of the season to Whitewater last Friday afternoon 26-6.

Eight times the Panthers bobbled the pigskin and the Whitewater Whippets recovered it seven times.

The Panthers now have a record of one victory and two defeats in conference play, tied with Burlington, Whitewater and Mukwonago for third place in the standings.

Delavan and East Troy, each with three wins and no losses, are on top, followed by Lake Geneva in second spot with two victories and one defeat.

Elkhorn holds down last place with no wins and three losses.

Jim Ratcek not only led the Wilmot ball-carrying parade with 138 yards in 18 tries but also scored the only Panther touchdown. This came on an 81-yard run in the third quarter. A run for the extra point failed.

Gary Held totaled up 39 yards in 12 tries for the Wilmot 11.

Scoring for Whitewater were Don Jones who went 6 yards in the first quarter; Paul Joseph, who picked up a loose ball and ran 20 yards in the second stanza; Kincaid, who went 54 yards; and Harlan Stone who tallied on a 50-yard run in the closing seconds of the game.

Wilmot made 6 first downs and Whitewater 7, gained 180 yards to 216 for the Whippets and gained 11 yards in passing to 33 for Whitewater. Net yards gained were 191 for the Panthers and 249 for the Whippets.

The Panthers tried 10 passes and completed 1. Whitewater attempted 7, completed 2 and intercepted 2 of those thrown by Wilmot.

A man never realizes how much of a castle his home really is until the tax assessor calls.—W. Streight.

## Players, Spectators Busy As Waterford Tips Salem

SALEM, Wis.—The spectators were kept almost as busy as the teams last Friday evening as the Waterford and Salem Central high squads put on a duel of long runs that finally saw the former win 47-16.

Despite a muddy field, the contest was loaded with spectacular long runs on the part of players on both sides, with Waterford perhaps having the edge in speed with two youths able to run the 100 in less than 10.5s.

Andy Aguero returned a kickoff for 84 yards and a touchdown and Gene Schulz hauled in a Waterford pitchout to gallop 90 yards for another for the Salem Falcons.

Touchdown passes of 13, 18 and 17 yards by Waterford's Dave Tymus, a 64-yard run by Oscar Benavides, a 55-yarder by John Benavides and dashes of 28 and 18 yards by John Durling tallied for the visitors.

Durling and O. Benavides can run the 100-yard dash in less than 10½ seconds and Central couldn't stop them at that speed.

WATERFORD'S seniors were just too talented and fast for the less experienced Falcons. Salem's squad consisted largely of juniors and sophomores. Central has only four seniors as starters.

It was the first Homecoming defeat for Salem Central in eight years, but was the fifth defeat for the Falcons in six contests this season.

At one time in the first quarter the Central team was behind by 14-6 after Aguero outdistanced two Waterford players and behind some good blocking galloped 84 yards to paydirt.

A second tally for the Falcons was in the third quarter when sophomore tackle Schulz recovered a fumble on the Waterford 4 and four plays later Fred Lentz sneaked over from the 1.

WATERFORD MARCHED 83 yards in 13 plays to reach Central's

7 in the last quarter only to have Schulz charge through to intercept a pitchout and race 90 yards for the final Central touchdown in the final stanza.

First downs totals showed 5 for Salem and 16 for the visitors, with 3 by the Falcons being made by rushing and two on forward passes. Waterford netted 8 each by rushing and passing and 3 on penalties.

Salem attempted 8 passes, completed 5 and had one intercepted. The Waterford powerhouse, defending Southeastern conference champions, tried 9 forwards, completed 6 and had none intercepted.

Net yards gained in rushing were 62 for Salem and 264 for the visitors. Passing net yards showed 71 for Central and 132 for Waterford.

Central was penalized 75 yards and the visitors 50 yards.

## Ski Area Approved

WAUKEGAN — Walter E. and Hazel C. Winn have been granted a permit to vary the F-Farming classification of 75 acres along the Johnsonburg-Wilmot road of Antioch for a public ski and toboggan area.

The Lake county board of supervisors allowed a petition by the Wiggs for a ski lift, toboggan area and incidental buildings north of route 173 in Antioch Township as recommended by the county zoning board.

## Salem Pupil Attends FHA's State Session

SALEM, Wis.—Recently Diane Halbach, a junior at Central high school, attended a Future Homemakers of America state meeting held at Westby, Wis.

Diane, vice-president of the local chapter, was elected editor of district five last June at the FHA state convention.

At the Westby meeting, she along with the other state officers planned the state program of work. The project they chose for the coming year centers around "Better Eating Habits for Teen-agers."

Plans for next year's state convention were also discussed. Miss Eileen Deetz, homemaking instructor at Central, accompanied Miss Halbach to this meeting.

## Bong Air Base Area Highway Work Halted

KENOSHA, Wis.—All construction of state and county roads in the Bong Air Force base area had been halted as soon as cancellation of work on the base had been received.

The state will begin to reconstruct highways 43 and 75 in the area when and if the base is definitely abandoned, the state highway department has told county highway commissioner Harold Merzog.

Projects held up include highway 75, County Line road and the Fox river bridge, all in the base area.

A spokesman for the S. J. Groves Construction Co., chief contractor at Bong, said his firm will rebuild any county roads damaged by the company when the outlook for Bong is known. All work at the moment is at a standstill.

## Antioch, Kansasville Girls In Talent Show

WAUKESHA, Wis.—Diane Mantis of Antioch, Ill., and Flora Beaumont of Kansasville, Wis., were among those having parts in the student talent show presented by 30 Carroll college young people Saturday.

This was a climax of Mom and Dad's day at the college.

Miss Beaumont and Miss Mantis were in the Carroll chorus from the freshman wing of Voorhees dormitory which depicted the "typical college coed."

Parents, students and college faculty members enjoyed luncheon, meetings, a football game, cross country meet and open house in the college biology department.

## People Attend Anniversary Of Illinois Couple

By Mrs. Herman Frank  
Wilmot Correspondent

(Written for Week of October 8) WILMOT—Mr. and Mrs. Cyril Pacey and Susan, Mrs. Frank Ehler, Sr., Mr. and Mrs. Lyle Ehler and son, Ricky, Dennis Jeffers, Herman Ehler, Mr. and Mrs. Russell Ehler and Donna, Mr. and Mrs. Jim Minnis and Lynn, Mr. and Mrs. Dean Ehler attended the 57th wedding anniversary of Mr. and Mrs. John Ehler at Ringwood, Ill., Thursday evening.

Mr. and Mrs. Harvey Watts and Kathy, of Racine, spent Saturday evening with Mr. and Mrs. George Higgins.

Wilmot Homemakers' club will meet Oct. 14 at 7 p. m. at the home of Mrs. Joe Rausch.

Mrs. Henry Daniels entertained Mesdames Laura Daniels, Lizzie Daniels, Mollie Daniels, Laura Ehler, Susan Seitz, Mary Welker, Addie Weber, Luella Wright, Mary Fox, Clara Vanderwerf and Catherine Eppers Tuesday afternoon at a luncheon and cards.

Mrs. Paul Ganslin called on Mr. and Mrs. Harold Boulden, Burlington, Thursday morning.

Mr. and Mrs. Earl Hyde, Genoa City, and Mrs. Alice Cole, Crystal Lake, spent Friday with Mr. and Mrs. Frank Kruckman. Mrs. Cole remained for a few days visit, returning home with her daughter, Mrs. Florence Colby of Crystal Lake, Monday.

Mrs. Henry Daniels spent Saturday with Mr. and Mrs. Bert Richter, Wheatland. In the afternoon Mrs. Richter and Mrs. Daniels attended Lady Foresters' banquet at New Munster.

Mrs. Henry Daniels spent Sunday afternoon with Mr. and Mrs. Bob Lois, Shorewood Terrace.

Mr. and Mrs. Frank Zarnstorff, Sr., and Mrs. Alfred Oetting spent Wednesday afternoon with John Frank, Kenosha.

Mr. and Mrs. Richard Frank and Ralph, Mr. and Mrs. Herman Frank spent Sunday with Mr. and Mrs. Donald Wienke, Bristol.

Mr. and Mrs. Harvey Brown spent the past week at Merrill and Eau Claire, Wis.

Mrs. Floyd Gyger, Jr., and family, and Mrs. Harvey Brown spent Friday evening with Mr. and Mrs. Ralph Orr, Waukegan, for Calvin Orr's second birthday.

Robert Ehler, Floyd Gyger and "Bernie" William Rudolph, Donald Brown, Robert Haase, Bob Hofmann spent the weekend at Lily.

Mrs. Herman Frank accompanied Mrs. Lloyd Stoxen and Mrs. Alex Schubert to the home of Mr. and Mrs. Frank Haase, Camp Lake, Saturday evening for a miscellaneous shower for Mr. and Mrs. Bill Haase of Oak Park, Ill.

"Teenagers" Is Topic  
WILMOT, Wis.—"Today's Teenagers" was the topic of the talk by James B. Miller in the Holy Name of Jesus parish church at the 8:15 Sunday morning service. Mass and corporate communion were held.

Representing the Hartford Fire Insurance Company Group

Don't forget the first fall meeting of the Salem Central Community club on Monday, Oct. 19, at 8 p.m. A good program has been planned.

On Thursday, October 8, a photographer was at the school taking class pictures for the annual.

Beginning at 1:30 Friday afternoon the members of all classes put on their skits before the entire school body. Cheers echoed and reverberated throughout the building. School spirit was truly alive.

The judges gave first place to the seniors, second to juniors and third to the freshmen for the skits presented.

The senior skit was entitled "The Man on the Street."

The band presented several selections which pepped up the crowd. Salem Central certainly had a wonderful day—and a marvelous homecoming.

## Central High School Is Listed For Meet

SALEM, Wis.—Plans for a family dinner meeting of the newly organized Kenosha County Farm Short Course Alumni association will be made at a board of directors meeting at Central high school on Dec. 7.

Tentatively a mid-February date has been set for the dinner meeting.

Charles Ling of Bristol is chairman of the association and Kenneth Wickland of Bristol is secretary.

Board members are LeRoy Dyson, Burlington; Roland Benedict, Bristol; Warren Gilmore, Union Grove; Ling and Wickland.

Goals of the association are to hold an annual reunion to renew and retain acquaintances and to encourage young men to attend the university of Wisconsin short course.

CY0 Program Talked  
BRISTOL, Wis.—Donald L. Keefe of Milwaukee spoke on "CY0—What It Means to Me" at a breakfast meeting following corporate

North American Game Fishing Guide

(Advertisement)  
North American Game Fishing Guide

CHICAGO, ILL.—An authentic fishing guide, created by states and foreign territories, was done by Joseph Godfrey, Jr., veteran of 35 years as an outdoor writer. Godfrey is the author of 10 books on fishing and former editor and publisher of a national outdoors magazine.

Herb Chidley, known for his realistic portrayal of fish and wild life in action, illustrated the guide which was lithographed in nonfading, washable inks by Veritone Co. Chicago.

The guide, two years in development and production, will be available in sporting goods stores, and the sporting goods departments of variety and department stores. Or it can be obtained directly by sending two dollars to the publisher, S. A. Williams and Associates, c/o Veritone Co., 2701 Lehmann Court, Chicago 14, Illinois.

Research and editing of the guide, which includes tables listing famous salt water and fresh

water fishing mecca both by states and foreign territories, was done by Joseph Godfrey, Jr., veteran of 35 years as an outdoor writer. Godfrey is the author of 10 books on fishing and former editor and publisher of a national outdoors magazine.

Mrs. Floyd Gyger, Sr., spent the weekend with Mr. and Mrs. Clarence Cramer, Buffalo Grove, Ill.

Mr. and Mrs. Floyd Gyger, Sr., visited Tuesday evening with Mr. and Mrs. Ed Ropinski at Lake Villa.

## Salem Hi Notes

SALEM, Wis.—The Science club of Central high school under the direction of Mr. Heyse has selected the following officers to lead them this year:

President, Ken Parker; vice-president, Darrell Pofahl; secretary-treasurer, Carol Vojtech.

Carol Vojtech will also act as news reporter for the club.

Purpose of this club is to further interest in scientific exploration and experiment. A science fair—an annual exposition—is the ultimate goal of this and each year's club.

The club has decided on two trips this year—Yerkes' Observatory at Williams Bay and Museum of Science and Industry in Chicago.

Something new has been added—a Radio club, whose purpose is to interest students in radio and communications technique under proper supervision.

A short wave radio is available to members and they develop a genuine interest in this phase of communication. Mr. Broton is responsible for this newly formed club.

There is still time to enroll in the adult clothing class conducted at Salem high school on Thursday evenings at 7:30 with Miss Eileen Deetz as leader.

Patterns and selection of cloth were discussed during the first meeting.

Don't forget the first fall meeting of the Salem Central Community club on Monday, Oct. 19, at 8 p.m. A good program has been planned.

On Thursday, October 8, a photographer was at the school taking class pictures for the annual.

Beginning at 1:30 Friday afternoon the members of all classes put on their skits before the entire school body. Cheers echoed and reverberated throughout the building. School spirit was truly alive.

## 'Scouting Week' To Be Observed Starting Sunday

Scouting units in Antioch Township will participate in "Scouting Appreciation Week" from Oct. 18 through 25 by putting on demonstrations to re-acquaint the community with the scouting program.

Taking part will be pack, troop and post no. 92 sponsored by the Antioch Moose lodge; pack and troop 84, sponsored by Lindenhurst Men's club; pack 88 sponsored by Lake Villa Methodist church.

Others will be pack and troop 80 sponsored by the Grass Lake School PTA; pack 88 sponsored by W. Millmore Community center; pack and troop 88 sponsored by Channel Lake Community club and troop 91 sponsored by Antioch American Legion post.

A special citizens' steering committee has been organized for the week's activities. On it are Walter Henning, Russ Roepenack, James Ferrier, Bert Henry, Ted Flanagan and Gordon McGee.

Harry Jesse of Grass Lake is chairman of the special steering committee in this community.

Jesse asked parents and other adults "to observe the various displays that will be erected in your community, ask questions, attend special scouting functions that will be announced."

"This week is devoted to our community," showing "our appreciation for the fine scouting program we have."

Volunteer scout leaders devoted hundreds of hours of effort and personal funds to keep scouting alive in Antioch Township. Back that up by showing your interest and your appreciation for a good program."

## Housing Survey Will Open Here Next Week

New information on housing and residential financing will be collected starting the week of Oct. 19 in a survey by the U. S. census bureau in a sample of land segments in Lake county.

The survey will be similar in procedures to the 1958 national housing inventory and will be part of the 1960 census of housing.

Objectives will be to obtain new data on changes in housing inventory, such as additions due to new construction and conversions, and losses from mergers, demolition and the like.

## Beaumont Transferred

Sgt. Ray Beaumont, son of Mr. and Mrs. Ray Beaumont of Antioch, is being transferred from the Libertyville Nike base to Greenland, it was learned this week. Sgt. Beaumont has seen service twice overseas and is now in his 13th year with the United States army.

**CLEARING DRIVER'S VIEW** - Cleaning up overgrown corners which obstruct the view of motorists is one method used by Illinois farm bureau women in attempting to reduce the accident rate in rural areas. For this and other safety projects, the women have been awarded second place in the statewide category of the 1959 Carol Lane awards for traffic safety. At left, a committee inspects a hazardous corner. After the weeds and brush are cleared, vehicles can be clearly viewed. Nearly a thousand similar corners have been cleaned up by Farm Bureau people during the past two years.

## Local People Enroll

A total of 404 North Shore residents have enrolled for evening session courses at Lake Forest college, according to Dr. Edwin C. Reichert, director.

Enrolled from Antioch are Caron P. Marotta, of Route 4, Lake Marie, and Mrs. Frank W. Walsh of Petite Lake.

## Tax Clinic Scheduled

A legislative clinic for county officers and others interested in tax matters has been scheduled by the Taxpayers Federation of Illinois for Monday, Nov. 16, at 1:30 p. m., in the Illinois building auditorium at the state fairgrounds in Springfield.

**ANNOUNCING:**  
**THE 1960 MERCURY**  
WITH IMPORTANT PRICE REDUCTIONS

Prices importantly reduced on *all* Mercury models! Popular Monterey\* now \$136<sup>50</sup> lower. Now you can own a new Mercury for a very few cents a day more than a car with a low-price name.

\* Comparison based on manufacturer's suggested delivered price for a Monterey 2-door sedan, 1960 v. 1959. Includes Federal excise tax and suggested dealer preparation and handling charges.

You'll be glad you bought a Mercury every time...

Why pay a medium-range price for a car with a low-price name? For this year, Mercury is in a new lower-price range. You'll be glad you didn't settle for less...

... every time you look at its Sleek-Line styling.

Every line is clean, trim. All excess metal has been pared away, shaped smooth. There's no unnecessary bulk. Just elegant simplicity.

... every time you feel its exclusive Road-Tuned ride.

Mercury's Road-Tuned wheels (see left) take bounce out of bumps. This ability of each wheel to "roll with the punch" is one of the most important ride advances in years... another reason why you'll be glad you bought Mercury...

... every time someone sits in the middle. There's real comfort for 6 people, not just 4. Full head room, hip room, foot room for all.

... every time you see other new cars. You'll discover that Mercury has the freshest styling—no warmed-over '59 design as in many so-called 1960 cars. You'll find that Mercury has the newest features—de luxe interiors on even the lowest-priced model, at no extra cost. And you'll appreciate the extra quality—the kind that cuts repair bills. For Mercury is the best-built car in America today. Don't miss the first showing.

MERCURY DIVISION Ford Motor Company.

See it now at  
Quality Headquarters—

## BOWLING

## Thursday Night Bi-State League, October 1

Lakes Co. took over undisputed leadership of the Bi-State bowling league, sweeping a three game set over Beauty-Vue Products. This makes ten wins in a row for Lakes Co. The strike spitters for the Lakes team were Ed Slavik with 620-232 and M. Hruby with 592-220. Lakes also had high team series with 2757 and Kirchmeyer Construction had a high team game of 1050.

C. Loneragan had high individual series of 627 for Kirchmeyer, but his team dropped two games to Haydon Homes. Ted Ozga had a big 617-232 for the Haydon team. Gordon Sillanoff and Sylvester Sillanoff sparked their team, Gordon's Weatherstrip, to a couple of wins over Vos Construction. Gordon had a big 614-225 and his brother had a 578-213.

Cunningham Cartage won two from Carter's Taxidermy with Don Cunningham and Ken Rentner shooting 581 and 565 respectively for the winners. Roepenack Masonry broke the ice and won a couple of games from the strong John Gaa and Son team. Don Behling had a 612-234 and Russ Elliott had 594-214 for the Roepenacks. Chuck Moran had a 560 for the Gaa's and took over first place in the individual averages with 187.

Russ Rudolph splattered the maples for 568-231 and helped his team, the Rudolph Turkeys, to take a pair from Adolph's Channel Inn. ## "Pinspotters"

Friday, October 2 Garwood Cleaners had high team series, with games of 698-811-689-2198 total.

Helen Barnes was high individual scorer, with games of 146-243-150 for a total of 539. Dee Ellis had games of 168-193-167 for a total of 528.

Grass Lake Lumber beat LaMeer Construction all three games. Bussie's Lounge won two games from Horton Feed.

Marty's Club Villa won two games from Barnstable & Brogan. Leo Fox Trucking took two games from Garwood Cleaners.

Ray's Shell Station took two from Economy TV. Antioch IGA Foodliner won two from Reeves Drugs.

## Moose Mixed League

Sunday, Oct. 3 Gutter Dusters had high team series of 720-696-729-2145.

Blue Moose had high game of 753. Ray Atwood was high individual scorer, having games of 205-178-189 for a total of 572. Louie Tanner had high game of 206.

For the ladies Ruth Seyfarth had games of 135-181-156-472 total. Gutter Dusters beat Sputniks all three games.

Blue Moose won two games from Moose Tales.

Left Overs won two games from The Ends. Moose Hoofs won two games from Antlers. Moose, Milkies won two from Moose Hide. Mitey Mites won two games from Moose Tops. The teams in the Moose Mixed League have been busy trying to obtain sponsors for their teams in the past two weeks and have been quite successful. At last report all but one or two teams have been sponsored. The sponsors thus far reported to the secretary are: Cermak's Real Estate, Antioch Landscaping Service, Osmond Realty, Antioch Launderette, Kaye's Snack Bar, Frenger Dredging Co., and Charcoal House.

## Monday Night Owl League

October 5 Eckhoff Gas Co. had high team series with games of 889-784-897-2570. Lee McKinney for Chase's "68" was high individual scorer, with games of 178-221-186-585 total.

B. Fischer with a total of 532, helped John's River Inn to win all three games from Old Orchard Inn. L. Thayer was high scorer for the losers with a 520 total.

F. Hartnell was high man for Eckhoff Gas Co., with 579, when they won all three games from Peterson's TV. H. Peterson had a 533 score.

Wally's Channel Inn, with N. Edwards' 506 as high, beat Klass Men's Store all three games. D. Gending with 456 was high for the Men's Store.

L. McKinney's 585 helped Chase's "68" Service win three games from Nick's Shell Service. C. Kadlec had 523 for Nick's.

R. Klean was high for Lyons & Ryan Ford, when they won two games from Sail Inn. F. Popp bowled 537 for Sail Inn.

Taylor's Shoe Store took two games from Four Aces.

## Ten Pin Topplers

Tuesday, Oct. 6 Spring Valley Country Club had high team series, with games of 743-809-826 and a total of 2378.

Gert Good was high individual scorer, bowling games of 160-164-187 for a total of 511.

Herron's Mink beat Adolph's all three games.

Tuttle-Mink won two games from George's Bar.

Spring Valley beat Joe & Helen's all three games.

Sexauer's won two games from Lakes Co.

Van Patten won two from Art's Paint Store.

Old Orchard Inn won two from Gibbs & Jensen.

## Wednesday Fly-by-Night

Mixed League, Oct. 7 Giovanni 5 had high team series of 2851. Fox Lake Realty had high game of 1021.

Earl Barnes of Barnes TV was high scorer, with a total of 550. Louis Oetting of Giovanni 5 had high game of 210.

Fox Lake Realty won two games from Piston Pushers. Barnes TV beat Wilson Laundromat all three games.

El-Mars Farm Produce won two games from 4 Aces.

Marksmen won two from Schlunz.

Giovanni 5 won two from Les Bonner Dry Wall.

IGA Food Liner beat Jim's Service all three games.

## Wed. Night Businessmen's League

October 7 Gaston Printing Co. has high team series, with games of 847-887-812-2546 total.

D. Gaston was high individual scorer, bowling games of 238-191-157 for a total of 584.

Gaston Printing beat Bill's Service all three games.

Weber's Duck Farm beat Ted's Radio all three games.

Lasco's won 2 from George's Bar.

Lahti Oil won 2 from Ken's Willow Farm.

Decker's Tavern took two from Badger Auto.

Pickard China won two from McHenry Ready-Mix.

## Thursday Business Men

October 8 Dick's Tree Service had high team series with games of 925-887-866-2658 total.

E. Lubkeman was high individual scorer, bowling games of 181-201-222 for a total of 604.

Wertz Well Drillers beat Carey Electric all three games.

Erich's Auto Repair beat Fox Trucking all three games.

Jack's Town and Country beat Merry-Go-Round Bakery all three games.

Murrie's Standard Service won two games from Lake Villa Lumber.

Raylenicks won two games from Salem King Pins.

Dick's Tree Service took two from King's Drugs.

## Bi-State League

Thursday, Oct. 8 Ed Slavik belted the pins for 670, season record, on games of 252-193-225. Ed sparked his team, Lakes Co., to 3 wins over Kirchmeyer Construction. This makes 13 in a row for the Lakes team. Chuck Loneragan had a big 597 for the Kirchmeyers.

Team scoring honors went to Rudolph Turkeys, who took three from Vos Construction with 2815-1033. Rudolph's were led by Louie Rudolph's 624-243 and Bill Olson's 622-

214. Romie Vos had a 563 for the losers. Haydon Homes swept their set over Adolph's Channel Inn. Ted Ozga had a 582 and takes over individual honors with 188 average. John Gaa & Son D-X took all 3 from Cunningham Cartage. F. Helselman was high for the Gaa's with a 621-218.

Gordon Construction, paced by J. Roscop's 599, swept their series with Carter's Taxidermy. Jack Elliott had a 594-235 for Carter's.

Vic Grunibek shot 563 to lead his team, Beauty-Vue Products, to a couple of wins over Roepenack Masonry.

Standings: W L 1-Lakes Co. 15 3 2-Gordon's Weatherstrip 11 7 3-Haydon Homes 11 7 4-Rudolph's Turkeys 11 7 5-Kirchmeyer Const. 10 8 6-Beauty-Vue Prod. 10 8 7-John Gaa & Son D-X 9 9 8-Vos Construction 8 10 9-Adolph's Channel Inn 8 10 10-Carter's Taxidermy 7 11 11-Cunningham Cartage 5 13 12-Roepenack Masonry 3 15

Five high individual averages are: T. Ozga 188, C. Moran, 185, E. Slavik 184, R. Kraft 183 and R. Strattan 182.

## Women's Thursday Afternoon League, Oct. 8

Fred Maier Service had high team series, with games of 547-438-591 for a total of 1674.

Myrtle Sampayo was high individual scorer, having games of 144-144-174 for a total of 462.

Burdick's Service Station beat Jacques's Beauty Shop all three games.

Drew's Lotion beat The Advertiser all three games.

Hiram Walker beat Ted's Radio & TV Repair all three games.

Nielsen's Restaurant won two from Kelly's Tavern.

Fred Maier Service won two from Don's Broasted Chicken.

## Opening Concert Of Philharmonic Slated Oct. 24

Waukegan—Edward Doe, bass, of Jacksonville, Fla., will be soloist for the opening concert of the season of the Waukegan Philharmonic society, Saturday, Oct. 24, at 8:15 p. m. in the Little Theatre of Waukegan Township high school. Doe will sing, accompanied by the orchestra, "Madamina" from "Don Juan" by Mozart, "Ella Giammai amo" by Verdi, and "O du mein holder Abendstern" from Tannhauser by Wagner.

The orchestra, directed by Richard Fuller, will play "The Marriage of Figaro" overture by Mozart, "Les Preludes" by Liszt and "Emperor Waltz" by Strauss. The chorus, directed by James Sanford, will sing Mozart's Alleluja from the Motet "Evultate, Jubilate," and Malotte's "Song of the Open Road", and will combine with the orchestra in "The Omnipotence" by Schubert, arranged by Spicker.

Donna Wortham Havasi, accompanist, will be featured with the chorus in "A Hymn to Music," arranged by Ringwald from a Chopin Etude.

Season memberships and single admissions will be available at the door.

A complex electronic computer used by airy scientists at the new DHIA processing center in Urbana is giving Illinois dairymen more detailed and accurate production records than were ever before possible.

## Loon Lake Woman Is Free On Bail

WAUKEGAN—Kay Mason of the Peacock Inn at Loon Lake near Antioch is free on \$1,000 bond on charges of keeping a house of ill fame.

Her case was continued by justice of the peace Carlton A. Smith of Antioch until 2 p. m. today (Thursday).

She was arrested last week in the

tavern near route 21 and the Loon lake rd. after a Waukegan man said she steered him to two girls in a small room at the rear of the place. No trace of the two inmates was found when sheriff Norris C. Froelich, assistant state's attorney Eugene Daly and sheriff's police raided the place.

Predictions are for a plentiful supply of excellent quality apples this fall.

## 18 Channel Lake Youngsters Are Confirmed Sun.

**BY MRS. PEARL KAPPELL**  
Channel Lake Correspondent  
CHANNEL LAKE—Among the youngsters from this area who were confirmed in services at St. Peter's church Oct. 11 were Douglas Runyard, Joseph Patrick, Jane, John and Martha Ring, Rosemary and Betty Franks, Kathleen Zeien, Joan, Nancy and Paul Lindblad, Bob and Henry Kubicki, James and Jeannie McCarthy, Linda Teasling, and Michael DeStefano.

Judy Pyles and Diane Domek were involved in a slight car accident in Beloit, Wis., last week, where Judy attends college.

The girls were stopped at a stop light, when a motorist fleeing the police rammed the rear end of their car. Judy suffered a wrenched shoulder, but both girls are fine and did not require hospitalization.

The fleeing motorist was stopped by the collision and is probably a sadder but a wiser man.

Judy's mother, Mrs. Clarence Pyles, and her grandmother and aunts, Mrs. Bailey, Miss Ann Bailey and Miss Marguerite Bailey, visited Judy in Beloit on October 7 to help her celebrate her birthday.

R.C.T. John Deegan, stationed at Fort Leonard Wood has written to his sister, Mrs. Dorothy Chase, that he's out of sick bay and fine again.

The public is urged to attend a meeting of the Channel Lake school board at 7 p.m. on Oct. 20. There will be a discussion of matters relating to the budget and the question of various pieces of literature sent home with the children will be brought up.

Tess Baumann was guest of honor at a surprise birthday party in her home the evening of Oct. 7. Friends attending the party were June and Jim Ivy, Rene and Sven Dahlman, Erna Fridell, Mrs. Dorothy Olson, Dick and Ann Waters, Lucile and Elmer Eberman, and Shirley Femer.

Refreshments were served and a pleasant evening enjoyed by all.

On Thursday another small party was held in her honor, attended by Marie Hucker, Della and Agnes Pyles.

Marie baked one of her famous whipped cream cakes for this one, which is enough to make any party a success.

Edwin Krupo, of the Acres ranch on route 173, was involved in an automobile accident as he attempted to enter the driveway of his home on Oct. 9. Krupo was driving east on 173, and as he turned left into his driveway, the car behind him lost control, as the driver applied his brakes and swerved to the left, hitting Krupo's truck.

No one was seriously injured, though both vehicles sustained considerable damage.

Mr. and Mrs. Vern Heath got a real thrill Sunday, Oct. 4. Their son, PFC Edward Heath, called them from Frankfurt, Germany—not collect, either. Any parent of a teenage son or daughter will appreciate what an unadulterated joy this is.

They had a nice, five-minute chat—Eddie is fine and getting along O.K.

Apologies to Don Behling, principal of Channel Lake grade school. We missed his name in the list of persons taking extra-curricular college courses.

Don is attending night school one night a week at DeKalb Teacher's college. He's going for his master's degree in educational administration.

It's a hard grind, teaching five days a week and driving 75 miles to attend two and one-half-hours of classes and we thoroughly respect anyone who does it.

Behling reports that all first graders, sixth graders and new students had tuberculosis tests last week, and results of the tests were given Oct. 9.

The tests are given with the written consent of the parents. All personnel working at the school are required to have X-ray tests for tuberculosis yearly.

No school on Oct. 23 at Channel Lake grade school. It's teacher's institute day.

There will be a Cub Scout committee meeting at the school on Friday night, Oct. 16.

It's reported that blue gill fishing off the Lake Avenue bridge, at the north end of Lake Ave. is really good. John Eckert and Sam Shaeffer caught 50 there the other day, pulling them in as fast as they could. They used weed worms for bait.

The next Cub Scout pack meeting is Friday, Oct. 23.

Chase's Hot Shots were really bowling the night of Oct. 5. The

## Better Schools Group To Assist Trustees

A business meeting was held by the committee for better schools at less cost on Monday evening, October 12.

The session was held for the purpose of setting a definite policy for the committee, in the light of the recent vote on the school bond issue.

It was unanimously agreed that the committee should offer to help the high school board in its building problem in every possible way consistent with the previously stated views of the committee.

The next meeting of the committee will be held at 7:30 p.m., on Monday, Nov. 9, at the Antioch fire station.

## Enrolls At College

CHICAGO—Anton J. Jirka, son of Dr. and Mrs. Frank J. Jirka of Antioch, has enrolled as a freshman in the College of Medicine at the Chicago Professional Colleges of the University of Illinois.

His studies will lead toward a doctor of medicine degree. Jirka is a 1955 graduate of St. John's Military academy.

boys had high series—975 actual wood, 1088 with their handicap.

Lee McKinney rolled high game and high series—178-221 and 186.

To make up the 975 series Ollie Hughes had 192, George Hucker had 207, Paul Heath had 190, Dave Runyard had 165, and Lee McKinney had 221.

Mrs. Francis Scanlan, Woodcrest Subdivision, was saddened by the sudden death of her brother, Lewis J. Behrer, last week.

The Cub Scouts want to thank Elmer Meierdick for the use of two trailers, in delivering the papers they'd collected to Waukegan, to be sold. John Eckert took the papers in, and John Runyard, Jim Harris, Doug and Pat Runyard, Bud and Sam Harris, Mark McKinney and Mike Ring helped to load them.

There will be a meeting of the PTA at the Channel Lake grade school at 8 p.m. on Oct. 21. Mrs. Jungman's room, the seventh grade, will present a skit.

Don't forget the meeting of the Channel Lake Community club at 8 p.m. on Tuesday, Oct. 13, at the school.

The Ladies Birthday club of Felter's Subdivision has had a busy month. Three birthdays were already this month!

On Oct. 1 Mrs. Ruth Gibbons was guest of honor at a birthday celebration; the club helped Mrs. Betty Hendrickson celebrate her birthday on Oct. 7; and on Oct. 14 Ellen Stoffel was the honored guest.

Members of the club are Anita Hamelberg, Ruth Gibbons, Phyllis Kapishke, Mabel Weber, Marge Ohlgren, Kate Christopherson, Gladys Lokke, Magda Cop, Ida Lokke, Evelyn Purdy, Madeleine Tulp, Marian Kleivins, Mary Moore, Ellen Stoffel, Betty Hendrickson, Margit Larson, Katherine Hamelberg, Bess Doty and Lillian Lenske.

Marie Hucker is home from the hospital and feeling much better, we're glad to say.

John Eckert will return to St. Therese hospital next week, and expects to undergo lung surgery on Oct. 16. He expects to be in the hospital at least a week, and then home for two weeks.

Scoutmaster Ray Atwood and Scout Leaders Ray Van Patten, Bill Young and Tom Atwood went to Oregon, Ill., Oct. 10 and hiked over the Blackhawk trail. They plan to take the scouts over this trail next spring, and wanted to find out just what they'd be taking them to.

On Oct. 2, 3, and 4 the junior leaders from Boy Scout Troop 86 attended a junior leader's training course at Wilmet.

The purpose of the course is to teach the boys their duties in the troop and how to perform them. It was sponsored by the North Shore area council.

Boys attending were Albert Grudl, Dean Dowell, Roger Eberman, Paul Kaleth, Butch Senesman, Mike Roepenack, Joe Ring, Ken Buell, Calvin Trussell, and Terry Dowell. They were accompanied by Ray and Tom Atwood, Emory Trussell and Harold Buell.

Boy Scouts of Troop 86 received an "A" rating from the northwest district of the North Shore area council for their camping practice at the camporee held on the week-end of Sept. 26. This was the camporee that was rained out.

Performance of his troop was highly praised by scout officials when scoutmaster Ray Atwood received the rating at a round table he attended the following week.

**DOWN IT GOES!** This wasn't a scene after the recent McHenry area tornado but downtown Antioch after a bulldozer manned by Irving Buchta of the Leo J. Fox trucking firm in Antioch had knocked down some of the one-story structure. Buchta is shown in the machine at the right. The building was being demolished and cleared away to make room for a new Rambler auto showroom and garage. Footings for the foundations of the new structure were to be poured this week by Vos Construction of Antioch. The old buildings had housed various businesses, including the Record Nook, automobiles from Don Pittman Pontiac-Rambler, the Cotton Shop and Cecil Smith, photographer. (Antioch News photo)

## Many Folks Visit At Solon Mills

**By Mrs. Anna Lyons**  
Solon Mills Correspondent

Mr. and Mrs. William Henné of Chicago called on his mother, Mrs. Arthur Krohn Sunday. She had a chicken dinner waiting for them.

Mr. and Mrs. George Handrock of Crystal Lake spent Sunday afternoon with Mr. and Mrs. Ed Lyons.

Misses Ann and Ellen DeHaan from Chicago visited at Mrs. Alfred Parker's on Saturday. They are sisters of Mrs. Parker and both are teachers in Chicago.

Mr. and Mrs. Howard Ritzert and children called on Mr. Ritzert's folks at Woodstock, Ill., on Sunday.

Mrs. Richard Young had as guests last week, her sister, Mrs. Arnold James and little son Danny from Chicago. The two sisters had an enjoyable week together, as did little Danny and little Miss Diane Young who are nearly the same age.

Frost hit us Sunday night but there still are a few flowers looking up that were in some protected places.

The value of machinery on farms has increased 33 percent during the past 10 years.

## Hospital Group Selects Board

LAKE VILLA—George Heuer, Carl Flattum and John Dupre of Antioch were among those elected to the board of directors of the Countryside Hospital association at its first annual meeting last Thursday evening.

The association meeting in the Lake Villa grade school basement cafeteria also chose:

Eugene Walszek, Albert E. Hoffmeyer and Winthrop Lyman of Fox Lake area; Mary Frances Groot, Round Lake; Edward Snag and Matt Hoffmann, Long Lake, and Warren Brown, James Rundgren and Bert J. Hooper, Lake Villa.

Directors will meet later to elect officers.

Amendments to the association's bylaws were given a first reading. They will be voted upon at a board meeting on Nov. 10 at a place to be announced later.

However, a meeting is scheduled for 7:30 p.m. on Oct. 20, to hear a professional fund drive leader.

The 50 or so directors and others attending the Thursday session heard a report on the past year's activities, including finances, acquisition of land for the hospital, non-profit status granted by the federal treasury, donations and architects.

## THE FIZZLE FAMILY

## Subdivision Organizations Form Federation To Assist Each Other

By Jim Jankowiak  
Fox Lake Hills Correspondent

Once again the following improvement clubs have met for the purpose of getting the property owners' association of Lake county organized:

Crockett's Subdivision, Duck Lake Hills, Pistakee, Shaw, Venetian Village, Wooster Shore, and Nippersink.

Each of the above named subdivisions was represented by one or more representatives. The meeting was held on Monday, Oct. 5, at the Long Lake railroad station.

The main theme of the meeting was the outlining of the purpose and scope of the group, and also the official name.

As finally settled upon, the name of the Association is to be known as the "Lake County Federation Of Improvement Association."

**PURPOSE OF THE federation** is to be a non-profit civic organization, existing for the purpose of aiding and advising the member associations in such community problems as sanitation, real estate development and property laws.

The federation also proposes to cooperate and assist the duly authorized boards, commissions and agencies on matters concerning the member associations.

The master association will accept for membership all improvement clubs and property owners' associations which are bounded by the Illinois-Wisconsin state line to the north, U. S. highway 45 to the East, McHenry-Lake county line on the west and Illinois highway 120 on the south.

This area includes what is commonly known as northwestern Lake county.

A committee consisting of Bob Wagner, Lief Grude, Robert Flakamp, Julie Chonis, Vokac and Beh-

## School Enrollments Survey Is Scheduled

Questions will be asked in the October current population survey of the U. S. census bureau to determine how many children are enrolled at school, level of schooling and similar facts.

Information also will be obtained about college students on their major fields of study and how their college training is being financed. Inquiries on future plans for schooling will be made of high school seniors.

A number of families in the sample panel will be asked special questions on consumer plans to purchase automobiles, television sets, washing machines and refrigerators.

The latter is part of a quarterly survey being made at the request of the federal reserve board for use in a national study of consumer buying trends.

rens has been selected to draft the by-laws of the Federation.

**ACCORDING TO** the most recent report, the group will be run by a board of directors instead of a president, secretary, etc.

There will, of course, be officers elected by members of the board, somewhat on the order of regular school boards.

Further, each director will be made the head of one of the federation's standing committees. This assures everybody on the board an active part in proceedings of this unified effort.

Member clubs are still needed, and once again these people interested in getting their association into the federation are asked to call Robert Flakamp at KImball 6-1187.

The only qualification is that the association seeking entrance must lie either wholly or partially in the boundaries stated above.

## Devotional Study Group Meets At Home in Millburn

By Mrs. Frank Edwards  
Millburn Correspondent

(written for last week)

The Devotional Study group met Thursday morning, Oct. 8, at the home of Mrs. Garrett Trout.

Rev. and Mrs. L. H. Messersmith attended the dedication of the educational unit at the church in Grayslake.

The annual beef dinner given by the Millburn O. E. S. was held at the Masonic temple Saturday evening, Oct. 10. Serving was from 5 to 8 p.m. Mrs. George Murrie was chairman of the dinner.

Mr. and Mrs. Joe Rine of Ontario, Canada, spent a few days with their daughter, Mrs. Herbert Prange.

Mrs. Elsa Lutz of Chicago spent a few days at the home of Mr. and Mrs. Herbert Messner.

Mr. and Mrs. Orville Hairrell and sons of Waukegan spent Sunday afternoon at the Frank Hauser home.

Mr. and Mrs. Lester Lucas of Waukegan and Mr. and Mrs. Charles Neff of Chicago were recent dinner guests of Mr. and Mrs. Charles Lucas.

Mr. and Mrs. John Clark of Deep Lake were dinner guests of Mrs. Harley Clark.

Mr. and Mrs. Leslie Bonner were supper guests of Mr. and Mrs. Vernon Stahke of Arlington Heights Wednesday evening.

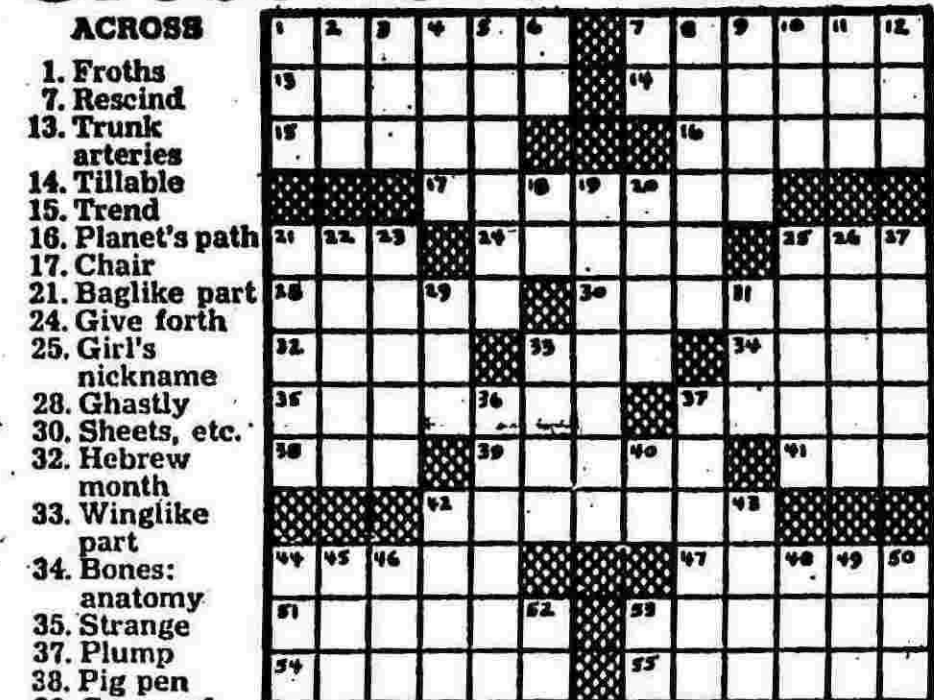

Mrs. Addie Lucas of Wadsworth is visiting at the home of her son, Mr. and Mrs. Charles Lucas.

Herbert Prange returned to Hines Hospital Sunday after spending the weekend at his home.

**DIGGING OF A DITCH** to carry telephone cables underground along highway 59 south of Antioch has been underway for several weeks. Shown here are crews at the intersection of highway 59 and the Grass Lake road where it was necessary to go under the Grass Lake road. Some of the cement pipe being installed is shown at the lower left. Phone cables now are being carried from poles. The recent rainy weather failed to slow down the work very much. (Antioch News photo)

## Crossword Puzzle

## Lotus Woods and Wildwood News

By Jean Wrona  
JWstice 7-6082

Happy birthday to the following people of Lotus Woods: Mrs. Ginger Jones whose birthday is Oct. 18, and Mrs. Jay Proeme who will celebrate hers on Oct. 20.

On Thursday evening, Oct. 15, at 8 p. m. ladies of St. Peter's church of Spring Grove will sponsor a pantry shower for the sisters. All ladies of the parish are invited. A movie will be shown, and mothers will have an opportunity to visit with the sisters. In conclusion a luncheon will be served.

Every Monday evening at 8 o'clock the Catholic Youth council meets at St. Peter's church of Spring Grove. This includes instructions and a social hour till 10 p.m. All youth of the parish and those who attend public high schools are invited and urged to come.

The aftermath of last Thursday's storm left the vicinity in a turmoil for the second time in two weeks. Mr. Lall of Wildwood had the roof torn off his house. The Moriarty's had a shed blown over and the Bartu family of Lotus Woods had a falling limb damage the garage.

Mr. and Mrs. Gus Kost of Glen Ellyn were the weekend guests of the Wronas.

Andrew Lewandowski of Spring Valley, Ill., has been spending a few weeks at the home of his daughter and son-in-law, Mr. and Mrs. Harry Gurney.

## "Antioch High Chatter"

By Marie Jasien  
Antioch High Reporter

School is beginning to seem just like always. If it weren't for the memory still lingering on it would hardly seem as if there had been three months of vacation.

The various clubs are again picking up where they left off, missing the Seniors, but welcoming the Freshies.

The local chapter of Future Homemakers of America held a picnic Tuesday, Sept. 29 at Fox River park. This picnic was for all old members and any Freshies interested in joining.

The torrents of rain parted for a few days enabling everyone to have a wonderful time. The girls planned hard for this picnic under the guidance of Miss Kathleen Landman and Miss Margaret Smiley, the advisers.

Kathy Runyard, this year's president, along with her officers made this day the most to say the least.

The G.A.A. has tried unsuccessfully to start its annual softball season, but the rains have turned the girls inside.

The captains have been elected, though, and they are Sherry Davis, Pennie Storch, Norma Brown, Sue Romer, all seniors, and Georgeanne Latham, Jan Duha, Joan Wagner and Karen Lightsey, juniors.

This year's "play day" will be at Harvard on October 31. Play day is an annual GAA affair where several schools from surrounding areas send girls to represent them in the fun and frolic of playing games like wiffle ball, volleyball, basketball, and relay races.

These schools take turns to have their own play day, and then plan a program, a theme and it all ends up with everyone waiting impatiently for next year to bring another Play Day.

Antioch high may soon have a newly organized National club. Pennie Storch, Barb Curwood and Bonnie Reed are working with Miss Kathleen Landman to start a local chapter of the Future Nurses of America.

They formed this idea from hearing about the Grayslake chapter of this club.

If there are enough interested people they will find this an enjoyable year sandwiched in with hospital visits and parties, and everything will have something to do with nursing.

The only things these girls ask is that you should have an active interest in nursing before joining.

The cast for the junior class play was announced last week by Miss Ruth Nickelson, who will be in charge this year. The play will be "One Foot in Heaven."

Juniors fortunate enough to win a part in this year's play are Dan Conrad, Karen Lightsey, Brian Balenske, Dee Stillson, Chuck Bruin, June Dressel, Loretta D'Abaldo, Barb Stokes, Jim Ruhl, Mary Shirk, Bonnie Reed, Evelyn Schroeder, Ron Vejvoda, Sharon McKenna, Margo Ott, Brian Hay, Gary Richter and Homer Gaston. Congratulations to all of you!

The junior class has voted on class rings and members are all excited about which one will be chosen. A class ring means a lot to a teen-ager.

It's too bad that the football team had to lose its game with Warren. It was going so good this year winning the first two games.

Here's hoping the tide will turn back and the fighting Sequoits will forge ahead in the next game, which must be won at all costs, for it is Homecoming.

The "A" club, the school's letterman association, held its elections recently and officers are as follows: Phil Mitchell, president; Wes Merryman, vice-president; Ken Stepien, secretary-treasurer.

This year's class meetings will be handled with more finesse since the executive board has been in effect.

The executive board of each class consists of its officers, student council representatives, and from 18 to 20 elected members of the respective classes.

Instead of the whole class meeting just the executive board will meet and discuss problems of the class and the board will work to find a solution.

Another new addition this year is the monitor system. In previous years monitors were stationed throughout the school, and inside the office.

This meant that when a student walked from one class to another with a pass he had to have it signed by each and every monitor he passed, sometimes as high as four or five.

This year there will be only three monitors a period. One in the office, one outside to serve as receptionist and a roving one who goes through the halls to see that everything is going all right.

The monitors are rewarded with honorary passes that allow them to leave a study hall at any time, and that admit them to all school sponsored activities.

**EASTERN STAR BAZAAR.** These ladies were ready to sell the photographer a wide variety of fancy work from a table at the bazaar sponsored by the Antioch Eastern Star chapter held on a recent afternoon and evening in Wesley hall of the Methodist church. A supper served by the OES members was another feature of the evening. Shown are, from right, Mrs. Hazel Parfitt, general chairman of the bazaar; Mrs. Josephine Kirchbaum, bazaar chairman, and Mrs. Anne Heath, worthy matron of the Antioch OES chapter.

(Antioch News photo)

## Sewing Machine Course Included In 4-H Program

There are about 60 different national and regional activities and projects in the 4-H club program supported by leading business firms and others, according to the National committee on boys and girls club work.

One program is specifically for training the 4-H clothing leader. It is called "getting the most out of your sewing machine," and is supported by a sewing machine company.

Two-day training sessions are set up in predetermined communities, and are usually held at a sewing center.

The most important part of the course is learning modern teaching techniques and how to better work with the club members.

Leaders attending the course have access to the newest models of sewing machines, and actually practice using the attachments and making adjustments for different sewing needs.

Learning how to take proper care of a machine also is demonstrated.

The value of this program is reflected in the number of 4-H girls who benefit from advice and experience given to them by their leaders, according to a national committee spokesman.

Statistics indicate that during the past four years more than 40,000

leaders completed the course and in turn trained more than 180,000 club members.

With this kind of help the young 4-H members are able to achieve better results in their clothing projects.

At the present time 40 states are participating in the clothing leader training program under the direction of the cooperative extension service.

## Bids Sought For School

Another attempt will be made to sell the old Oakland school building located at the junction of the Deep Lake and Loon Lake roads near Antioch.

A public sale of the building without the site, a 155,000 BTU oil burner, jet water pump and tank considered part of the building will be held at 10 a. m. (CST) on Wednesday, Nov. 4.

The Lake county board of school trustees has ordered the sale.

Earlier this fall an attempt to sell these items and the building failed when no one entered a bid.

A change has been made in the notice of sale announced this week in that the successful bidder will have 10 months in which to remove the building and contents.

Earlier the bidder had to remove the structure and contents within a 60-day period. This was considered by some interested parties as too brief a time for the job.

The Antioch community grade school board of trustees requested the county board to increase the time to 10 months, which was done.

A legal notice of sale will be found elsewhere in this issue of the Antioch News, giving more particulars for information of prospective bidders.

## County Expenditures

SPRINGFIELD, Ill.—Lake county expenditures for various public aid work in August were announced this week by the Illinois departmental informational service.

Aid to dependent children received the most money with 610 getting \$21,355. 18 received \$1,171 for blind assistance, 34 obtained \$2,207 for disability assistance, 473 received \$26,111.50 for general assistance and 575 obtained \$33,181 for old age assistance.

## Homecoming Sched. At Grant Hi Saturday

FOX LAKE—Saturday, Oct. 17, will be Homecoming day at Grant high school in Fox Lake with the football game between Grant and Elva-Vernon at 8 o'clock that evening as the climax to the activities. Grant will be favored to win this gridiron classic because of its better season record in Northwest Suburban conference games.

362 DEPOT ST. PHONE ANTIOCH 1010

FIRST ANNUAL threshing demonstration sponsored by the Lake County museum was watched by many interested people recently at the junction of Route 41 and the Wadsworth road. Man in foreground with hands behind his back is Matt Ludwig of Bristol, Wisc. Equipment used was almost entirely old time machinery such as shown here. Even a small electric generator was used to make electricity to keep coffee and food hot. All this old equipment is in good shape and runs like a clock as the spectators found out. (Tronson photo)

## Antioch Library Lists More Books Given In Memory of Various Folks

"The Art of Drying Plants and Flowers," by Mabel Squires, has been given to the Antioch Township library in memory of Mrs. J. Ernest Brook.

Mrs. Squires tells what plant, seed pods and cones will dry well, how to pick and dry them and how to build a drying rack.

The largest part of the book tells of the many lovely arrangements that can be created to fit into various house decorations.

A final chapter is devoted to arrangements for Thanksgiving and Christmas.

Thomas Paine was hounded out of England because he campaigned for the rights of man.

His books were read by thousands of people on both sides of the Atlantic and became one of the foundations of the American Revolution.

His was the first voice to call for American independence.

Alfred Owen Aldridge has written a long-needed biography of Paine, "Man of Reason," which is based on newly discovered manuscripts.

"Man of Reason" was also given in memory of Mrs. Brook.

In 1737, Alexander Cruden gave to the world a dictionary and alphabetical index to the Bible which has

been reprinted many times and is considered the indispensable "tool" for Bible students.

"Cruden's Unabridged Concordance to the Old and New Testaments and the Apocrypha" was given in memory of Alexander G. Hughes.

While Lew Wallace was governor of the territory of New Mexico, he found the time to write his second novel.

In 1880, this famous story was published and brought to the author acclaim that overshadowed his political and military exploits.

The book was "Ben Hur." An illustrated edition of this classic is now in the library in memory of Una Mae Stovall.

"Wild Tigers and Tame Fleas," by Bill Ballantine, was given in memory of A. W. Lokke.

Since the big tent, the spangled tights and the performing animals of the circus are becoming very scarce on the American scene, this book on circus animals and their trainers brings back nostalgic memories of a more leisurely day.

## Plant Trees, Shrubs Now

October is a good time to plant shrubbery and small trees.

Most home owners wait until spring to plant, but actually fall is just as good, if not better, points out H. R. Kemmerer, University of Illinois horticulturist.

Planting shrubbery now lets the roots get a good foothold so that the plants will be ready to go for a fast start in the spring.

Spring-planted shrubs often have tough going, especially if it's a dry year.

Except for broad-leaved evergreen shrubs and a few trees, almost any sort of tree or shrub can be planted now. Nurserymen can tell you specifically what shouldn't be fall-planted.

In setting out a shrub, make sure the hole is roomy enough for the roots to spread out. If the soil isn't the richest, Kemmerer thinks it's a good idea to add peat moss.

He also says not to mound the soil around the plant. Instead, leave it dish-shaped so that rains can seep in.

A good mulch for new trees and shrubs heading into winter is cracked corn cobs, straw or peat moss.

Another safety measure is to prune back about one-third of the foliage just after planting. Roots can make a better start that way because they won't have so much foliage to support.

The navy first used the Panama canal on Oct. 12, 1914, when the USS Jupiter crossed the "Big Ditch" from the Pacific to the Atlantic.

## LOWEST-PRICED LIGHT AND MEDIUM TRUCKS

Priced lowest of the leading makes\*

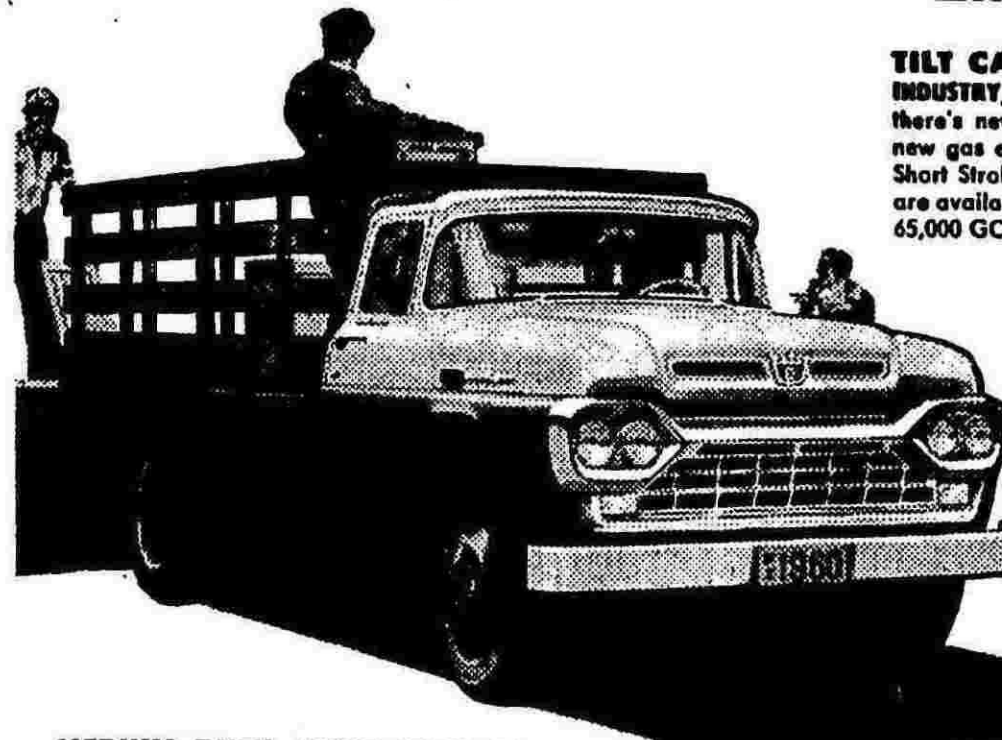

# NEW FORD TRUCKS for 60

with  
**Certified Economy**

**LIGHT DUTY—LOWEST PRICED OF THE LEADING MAKES!**  
And look what the low price of this half-ton Styleside includes!  
New 23.6% more rigid frame, new longer-lasting brakes,  
new styling and comfort, new Diamond Lustre Finish!

(Name available on request. Send inquiry to P.O.  
Box 2487, Ford Division, Ford Motor Company,  
Detroit 31, Michigan)

**MEDIUM DUTY—LOWEST PRICED OF  
THE LEADING MAKES!** In addition to lowest  
price, this F-600 Stake offers increased  
strength in frame and sheet metal... colorful  
new cab interiors... the gas savings of Ford's  
modern Six. Maximum GVW, 21,000 lb.

\*Based on a certified comparison of the latest available manufacturers'  
suggested retail delivered prices, including federal excise tax, excluding  
dealer preparation and conditioning and destination charges

**CERTIFIED GAS SAVINGS • CERTIFIED DURABILITY  
CERTIFIED RELIABILITY • CERTIFIED LOWEST PRICES**

You get the best of the new in 1960 Ford Trucks. And economy backed  
by the Certified tests of leading independent automotive engineers.†  
**Certified gas savings!** New tests verify the gas savings of Ford's  
modern Six—the engine that got 25% more miles per gallon than  
the average of all other makes in Economy Showdown U.S.A.!  
**Certified durability!** Tests of key truck parts showed, for example,  
20% longer brake-lining life for Ford's new F- and C-600's...  
23.6% greater frame rigidity on half-tonners.  
**Certified reliability!** Based again on Certified tests. Example: Ford's  
new wiring assembly operated without failure more than three  
times as long.  
**Certified lowest prices!** See the price comparisons. See the Certified  
Economy Book at your Ford Dealer's now!

**FORD TRUCKS COST LESS**  
LESS TO BUY... LESS TO RUN... BUILT TO LAST LONGER, TOO!

**TILT CABS—LOWEST PRICED IN THE  
INDUSTRY** and the most popular! For 1960,  
there's new comfort and driving ease...  
new gas economy and durability in Ford's  
Short Stroke engine! Nine Tilt Cab Series  
are available, ranging from 18,000 GVW to  
45,000 GVW.

Come in  
Now!
